Chapter 1

I. Overview of the Firm eFiling Admin Functions

A. Role of the Firm eFiling Admin

The Administrator role is critical in the eFileCA system. As a Firm eFiling Administrator you will:

- Set up the firm account.
- Determine all the firm settings, without which no filings can be submitted by firm members.
- Manage all firm eFiling users including registration, approving, assigning roles, resetting forgotten passwords, and deleting departed firm members.
- Generate eFiling reports firm-wide or for specific filers, cases, clients, etc.

B. Design of the eFileCA System

This guide will probably make more sense if you understand the design and flow of the eFileCA system.

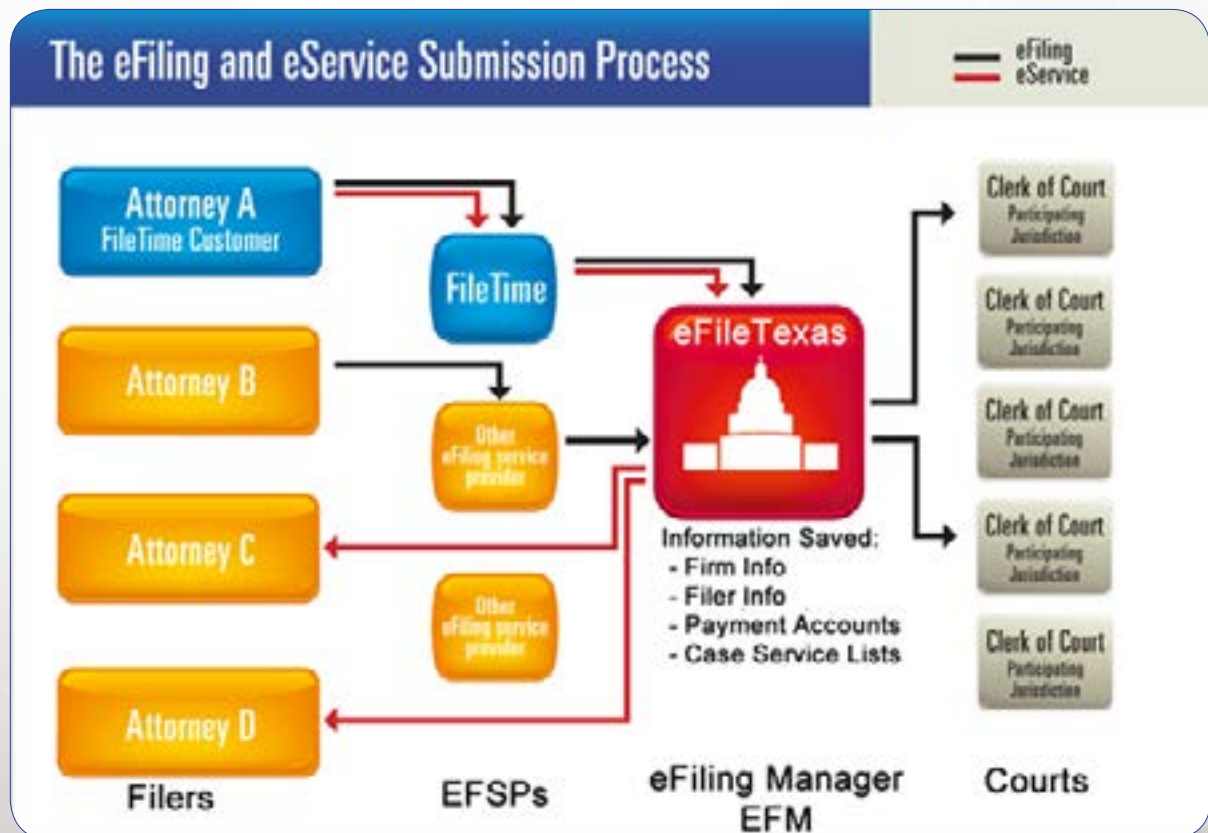

Figure 1-1, The Design and Flow of the eFileCA System

When you login as Attorney A, or on behalf of attorney A, you are logging into the eFileCA system through FileTime, or whichever service provider through which you are logging in. You next enter the filing and/or eService information.

When the submission is to your satisfaction, you click the **Submit** button at the end of the eFiling data entry process and FileTime submits your data to eFileCA.

C. eFilings

eFileCA:

- Pre-authorizes any submission fees with your credit/debit card issuer,
- Processes your submission document(s) to ensure they meet the PDF standards, and
- Forwards the filing data and documents on to the appropriate jurisdiction.

The Clerk of Court reviews your eFiling and accepts it as is or returns it for correction.

When a filing is accepted, eFileCA then:

Submits the final billing for the submission to your credit/debit card issuer,

Notifies FileTime, and

Sends the [Notification of Acceptance](#) email to the filer.

D. eServices

The flow of an eService is slightly different.

When you click the Submit button, FileTime submits all the eService data to eFileCA as with an eFiling.

eFileCA then:

- Sends [Notification of Service](#) emails directly to each of the service recipients and
- Notifies FileTime of the service to any of our customers.

Chapter 2

II. FileTime Overview

When you first login at www.filetime.com you are automatically directed to the **Workspace** area. You also automatically see the top navigation bar (Figure 2-1, A) and the sub-navigation bar (Figure 2-1, B).

Figure 2-1. Top Navigation Bar

A. Top Navigation Bar

1. Workspace

Clicking the **Workspace** button returns you to the area from which you can eFile and eServe and manage all your eFilings and eServices. When clicked on **Workspace** you have access to all the functionalities described below for the Workspace Sub-Navigation bar (section B) below.

2. Admin

This button is visible only to persons designated as a firm eFiling administrator. Clicking this button takes you to the Firm Admin area (section C below).

3. My Account

Click this button when you need to change your password, change your name in the eFiling system, opt in to the Public Service Contact List, or update which notification emails you receive from us. See section D below for more information about this section.

4. Training

We provide several training options. Click this button to view our training options ([section E below](#)).

5. Submit Filing(s)

Clicking this button is one of the ways to start a new submission.

B. Workspace Sub-Navigation Bar

You will be automatically taken to this sub-menu when you login.

1. Submit Filing(s)

Clicking this button is one of the ways to start a new submission.

2. Case Overviews

You will be automatically taken to the **Case Overviews** page (Figure 2-2) when you login.

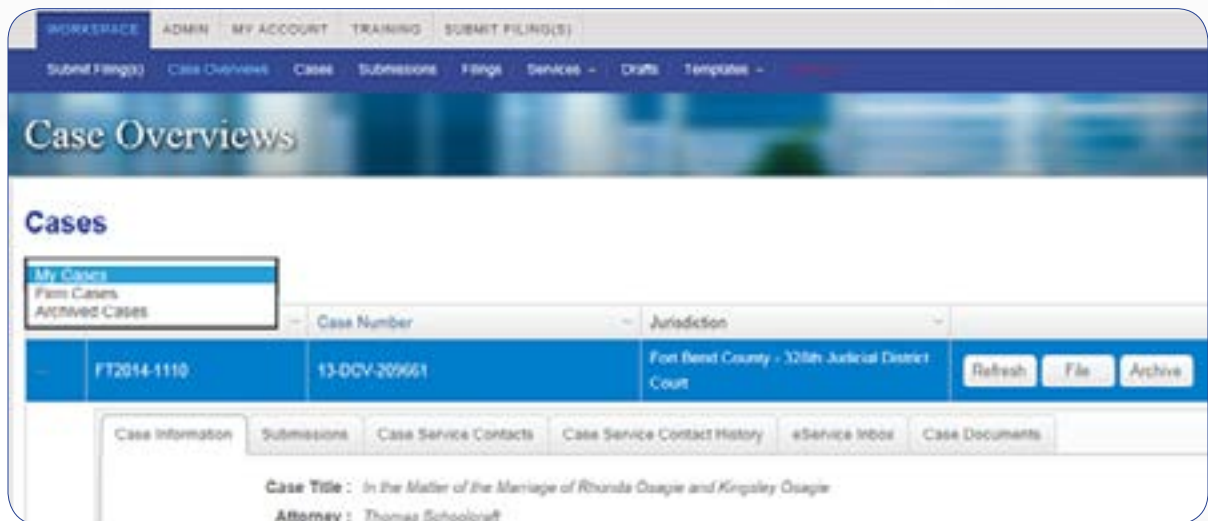

Figure 2-2, Case Overviews Page

From this page you can view firm cases, submit eFilings for firm cases, archive firm cases, etc. Be sure to click **Firm Cases** on the Cases drop-down menu if you want to view Cases firm-wide rather than cases in which you have personally eFiled.

3. Cases

The **Cases** page (Figure 2-3) provides you with different options to:

- View existing cases in which your firm members have already eFiled through FileTime - they will display on the grid, and
- Search the eFileCA for cases for which your firm filers have not yet submitted filings through FileTime - which do not display on the grid.

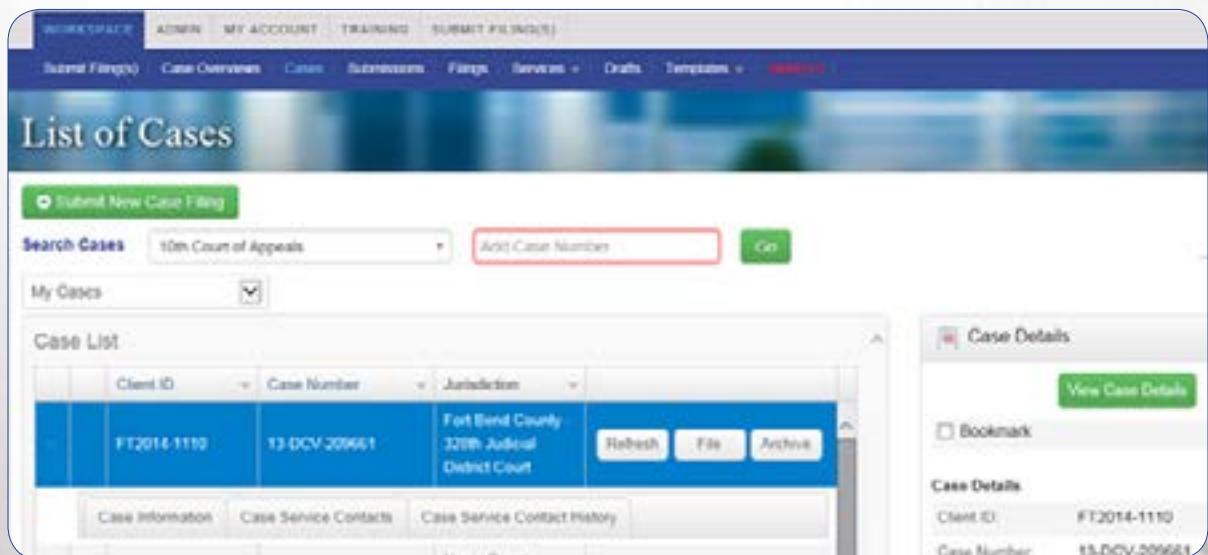

Figure 2-3, Cases Page

From this page you can view firm cases, submit eFilings for firm cases, archive firm cases, etc. Be sure to click **Firm Cases** on the Cases drop-down menu if you want to view Cases firm-wide rather than cases in which you have personally eFiled.

To search for existing cases not on the grid, select the appropriate jurisdiction, enter the case number and click the **Go** button.

NOTE: New cases do not display on the **List of Cases** or the **Case Overviews** pages until the clerk had accepted the initial filing and assigned a cause/case number.

4. Submissions

You will find all of your firm's eFiling and eService submissions on the **Submissions** page (Figure 2-4). After finding a specific submission you can view and print details about the submission, cancel a submission that has not yet been opened by the clerk for review, resubmit a returned for correction submission, and archive cases.

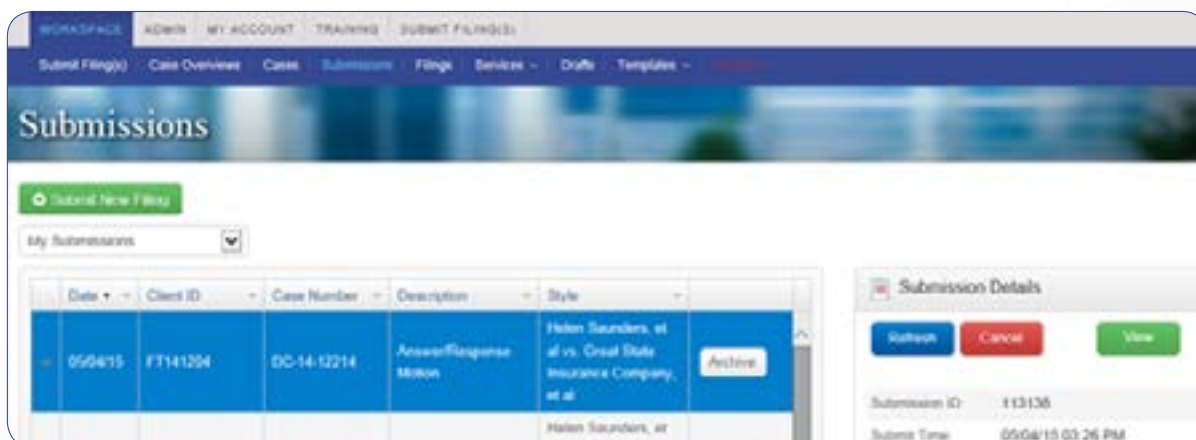

Figure 2-4, Submissions Page

5. Filings

A submission can contain multiple filings and you can view all individual filings on the **Filings** page (Figure 2-5). Additionally, you can view and print the filing details, resubmit a **Canceled** filing, and archive filings for inactive cases.

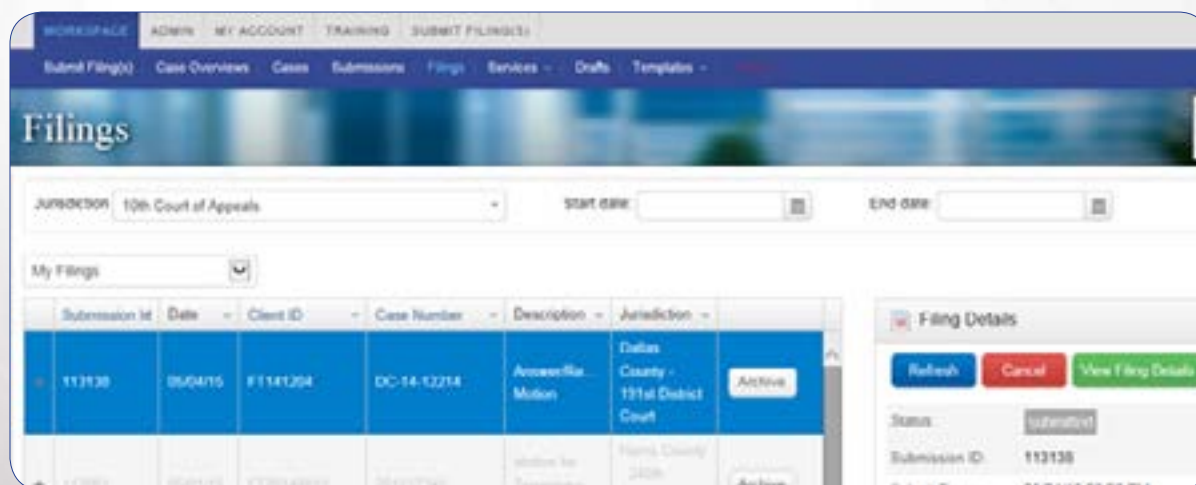

Figure 2-5, Filings Page

Above the grid there are options to filter by jurisdiction and/or by date range.

After finding a specific Filing you can view and print details about the filing, cancel a filing that has not yet been opened by the clerk for review, resubmit a returned for correction filing, and archive the filing.

6. Services

Under the **Services** button you have the following options under the drop-down menu:

Figure 2-6, Services Section

- **Inbox** - Go here view and print eService details and service documents served to you or other firm attorneys by counsel.
- **eService Outbox** - Go here to print **Proofs of Service** that you eServed counsel with the submission.
- **Fax Service Outbox** - Got here to view the status of FileTime Fax Services and also to print **Proofs of Fax Service**.
- **eService Search** - Use this feature to determine if counsel is on the eFileCA **Public Service Contact List**, enabling you to know in advance of an eFiling whether you will be able to add him/her as an eService Recipient for the case.

FileTime saves the service documents in the Inbox for at least six months whereas eFileCA makes them available from the Notification of Service email for only seven days.

7. Drafts

You can save an unfinished submission as a draft at any point in the submission process and they are saved on the **Drafts** page (Figure 2-7). You can also delete Drafts by clicking the red trashcan icon in the Draft Details section.

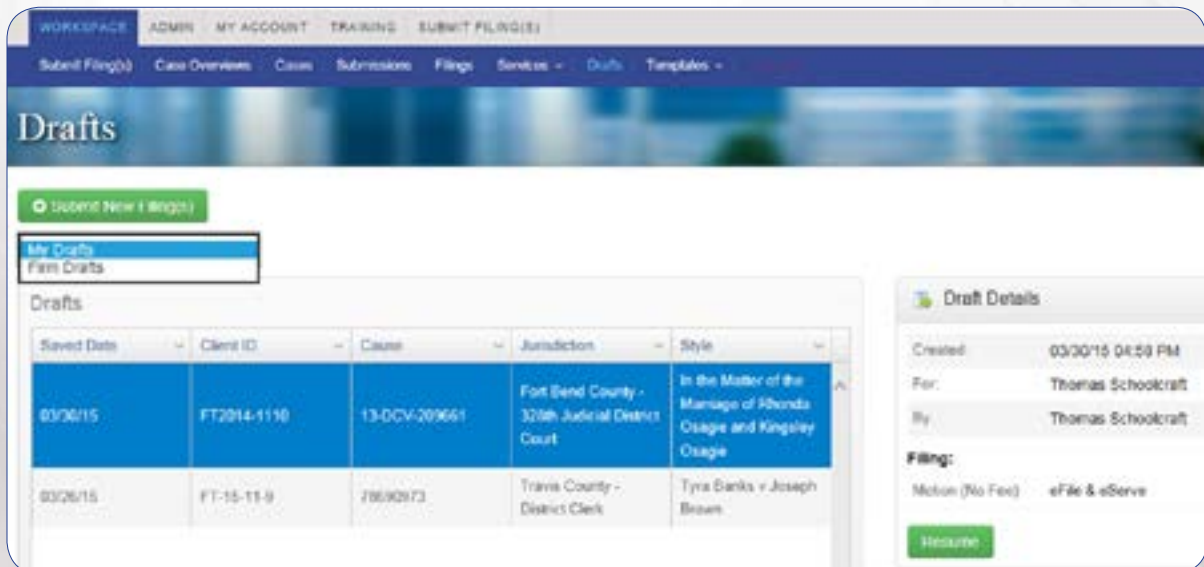

Figure 2-7, Drafts

Return to the **Drafts** section at any time to resume the submission process.

8. Templates

Under the **Templates** button you have the following options under the drop-down menu (Figure 2-8):

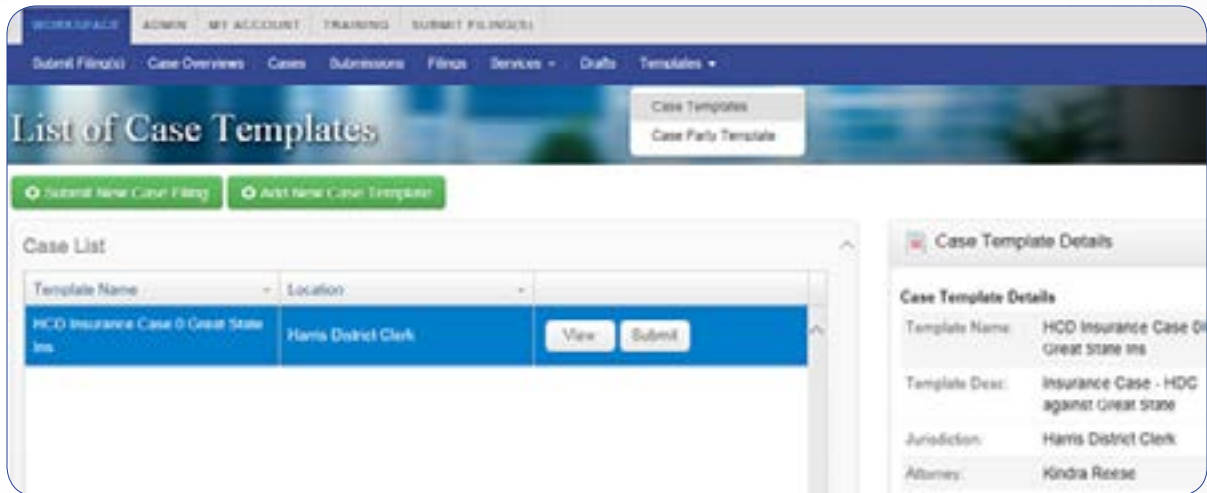

Figure 2-8, Templates Section

- **Case Templates** - This function enables you to use a Case Template created by your Admin team to start a new submission.
- **Case Party Templates** - You and/or your firm members can create templates containing the names and addresses of parties your firm often represents. In this section you can add new case party templates and edit existing templates.

9. Alerts

eFileCA sends notifications of Failed filings, returned for correction filings, and failed eServices by email to the filer by email.

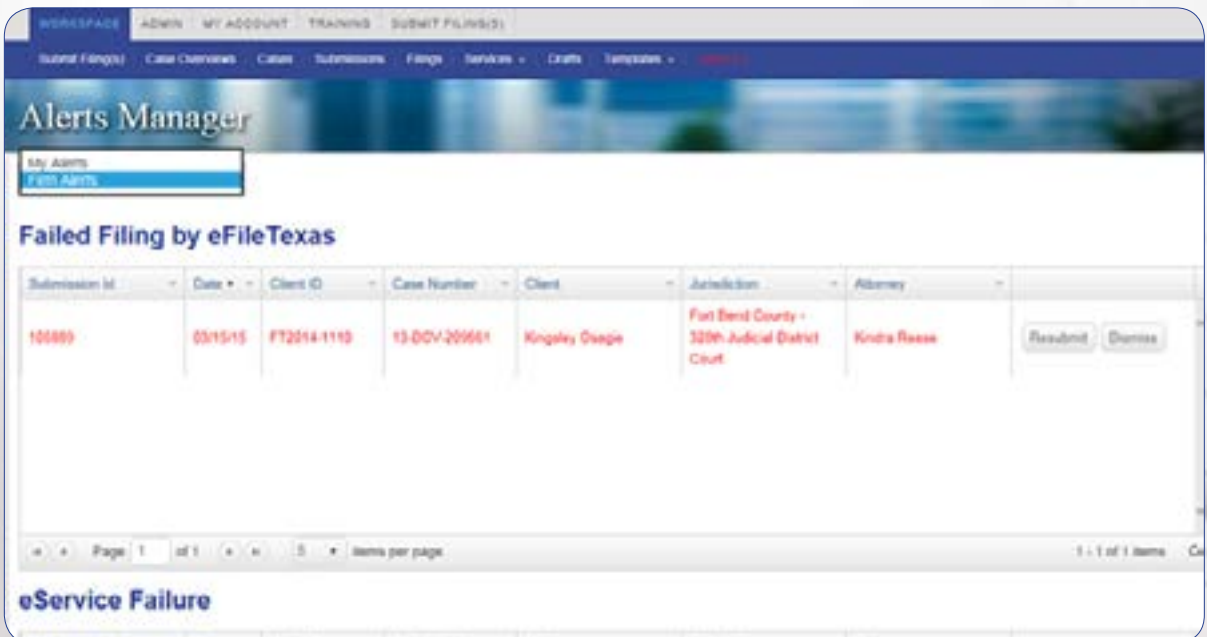

Figure 2-9, Alerts Manager

The blinking Alerts button on the sub-navigation bar notifies you that alerts are available for you on the Alerts Manager page.

C. Admin Sub-Navigation Bar

The Admin sub-navigation bar (Figure 2-10) displays when you click on the **Admin** button. The Admin button is only visible to firm users with a role of **Administrator**.

Figure 2-10, Admin Sub-Navigation Bar

1. Firm Users

Manage all your firm users on the **Firm Users** page (Figure 2-11). You can add new users, opt your firm attorneys into the eFileCA Public Service Contact List, update user names, inactivate users from your firm account, assign a role of firm manager to additional registered firm staff, change user passwords, change users' email address in the eFileCA system, and more in this area.

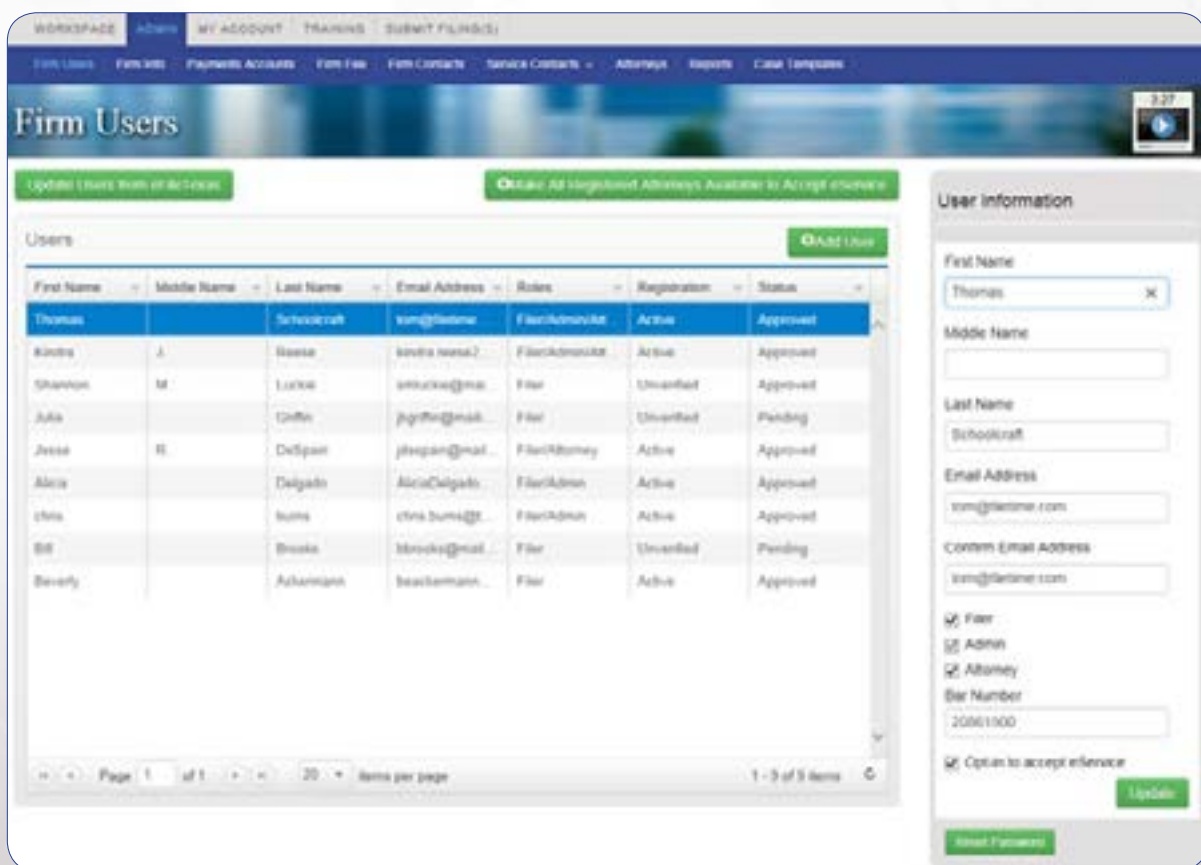

Figure 2-11, Firm Users

Read more detail about managing your firm's eFiling users in **Chapter 3**.

2. Firm Info

Go to the **Firm Information** page (Figure 2-12) to:

- Update your firm information in the eFileCA system,
- Make it mandatory that your firm filers enter a Client ID number for every submission,

- Request that your firm be made sales tax exempt (if you are a governmental institution or other sales tax exempt organization), and
- Enable firm attorneys and staff to self-register with the eFileCA system through your firm account.

The screenshot displays the 'Firm Information' page within the eFileTime interface. At the top, there are navigation tabs: WORKSPACE, ADMIN (selected), MY ACCOUNT, TRAINING, and SUBMIT FILING(S). Below these are sub-tabs: Firm Users, Firm Info (selected), Payments Accounts, Firm Fee, Firm Contacts, Service Contacts, Attorneys, Reports, and Case Template. The main heading is 'Firm Information'. Below this, a message states: 'Please complete the following to update your firm account with FileTime.' The form includes the following fields:

- Firm Name:** Text input field containing 'Law Office of Tom Schoolcraft'.
- Address1:** Text input field containing '123 High Point Dr'.
- Address2:** Text input field containing 'PO Box 5634'.
- City:** Text input field containing 'San Antonio'.
- Zip:** Text input field containing '78246'.
- State:** Dropdown menu showing 'TX'.
- Phone Number:** Text input field containing '(210) 555-5555'.

Below the form fields is the 'Firm Options' section with three checkboxes:

- ☐ Make this account Texas sales tax exempt
- ☒ Allow Users to self register for this account
- ☒ Make Client ID required

At the bottom right of the form are two buttons: 'Save Changes' (green) and 'Cancel' (grey).

Figure 2-12, Firm Information Page

3. Payment Accounts

You must create at least one firm **Payment Account** (Figure 2-13) in order for your firm members to be able to eFile. However, you can create as many as needed. You can use a credit card or debit card for each Payment Account.

Creating a **Waiver Payment Account** allows your filers to submit filings for indigent and other no-fee cases you have.

| Account Name | Type | Status | Card Type | Last 4 Digits | Expiry | |
|--------------|------------|--------|-----------|---------------|--------|--------------------------|
| Firm | CreditCard | Active | MASTER... | 5454 | 6/2018 | x Delete |
| AmEx | CreditCard | Active | MASTER... | 5454 | 5/2018 | x Delete |
| Waiver | Waiver | Active | | 0 | | x Delete |

Figure 2-13, Payment Accounts Page

4. Firm Fee

By default, FileTime assigns your firm to the **Gold Plan** (\$2.99 fee per submission).

On the **Firm Fee Information** page (Figure 2-14) you can select the FileTime fee plan that best fits your firm needs.

Select Firm Filing Fee

☐ BASIC PLAN - FREE

- Extended file-stamped document storage
- eService Inbox - second way to retrieve service documents
- Export firm filing data
- Proofs of Filing/eService/Fax Service
- 24x7, Knowledgeable Customer Support
- Robust reporting

☒ Gold Plan - \$2.99 per submission

- All features of the Basic Plan
- Convert nearly any document to text searchable PDF
- FREE Fax Service - 100 pages per submission
- Automatically merge PDF files
- Auto-correct PDF size & orientation
- Extended file-stamped document storage

☐ Platinum Plan* - \$3.99 per submission

- All features of the Basic and Gold Plans
- Monthly Invoicing for firm billings
- FREE Fax Service - unlimited pages per submission
- Convert Word Processor Files to searchable PDFs
- Automatically merge PDF files
- Auto-correct PDF size & orientation
- Extended file-stamped document storage

You may change between the Basic and Gold billing plans at any time.
The Platinum Plan requires a credit report (business or personal) and billing agreement to become effective. Any changes up to the Platinum Plan or down from the Platinum Plan are effective the first day of the month following the change.

[Save](#)

Figure 2-14, Firm Fee

5. Firm Contacts

This **Firm Contacts** page (Figure 2-15) is purely optional. By entering your firm's main Administration, IT, and Accounting contacts in this area you enable us to more quickly contact the correct person in your firm if any issues arise.

Firm Contacts

Contacts List

| Full Name | Phone Number | Firm Contact Type |
|--------------------|----------------|-------------------|
| Kelly Hart | (210) 555-5555 | Administration |
| Catherine Carrigan | (555) 555-5555 | Accounting |
| Alicia Delgado | (210) 555-5555 | Administration |

Contact Details

Make any changes to the information below and click the Save Changes button.

Full Name: Kelly Hart
 Phone Number: (210) 555-5555
 Firm Contact Type: Administration
 Email Address: khart@lawfirm.com

Check any Notifications you want to receive:

- ☒ Receive Notification of Filing Submissions Emails
- ☒ Receive Notification of Accepted Submissions Emails
- ☒ Receive Notification of Rejected Submissions Emails
- ☐ Receive Notification of Service Status Emails

Buttons: Save Changes, Delete Contact

Figure 2-15, Firm Contacts

After you add a Firm Contact go to the **Contact Details** side and:

- Select the **Firm Contact Type** (pick the one that most closely fits) and
- Select any **Notification emails** for firm filers that you want that person to receive.

6. Service Contacts

There are two features available when you click the drop-down arrow for **Service Contacts** page (Figure 2-16):

Service Contacts

Contacts List

| Email Address | Full Name |
|-----------------------|-----------------|
| acento@mailinator.com | Angela G. Cento |

Cases

| Client ID | Cause/Docket | Jurisdiction |
|-------------|--------------|---|
| 301212345 | | Harris County - 240th Family District Court |
| DC-01-04304 | | Dallas County - 48th District Court |

Contact Details

Make any changes to the information below and click the Save Changes button.

First Name: Angela
 Middle Name: G.
 Last Name: Cento
 Email Address: acento@mailinator.com

Administrative Copy: acento@mailinator.com

☒ Opt-in to accept eService

Buttons: Save Changes, Delete Contact

Figure 2-16, Firm Service Contacts and Non-Firm Service Contacts

- **Firm Service Contacts** - In this section you should enter the names of all firm attorneys and staff that will be designated to receive eService from counsel. On this page you can also add attorneys and staff members (if desired) to the eFileCA Public Service Contact List. Names entered here will automatically populate the Service Contact selection list when a filer is submitting a filing and searching to add firm service contacts to the case.

- **Non-Firm Service Contacts** - In this section you will be able to add and manage counsel from other firms, or pro se filers, when you have an email address for that person and that counsel was not opted in to receive eServices for cases.

You should add all your firm attorneys as Service Contacts. Whether to add your firm's paralegals and other staff is up to your firm's policy.

When you enter a new Service Contact, or view existing firm Service contacts you have the options to:

- Add an Administrative Copy eMail address. Doing so causes a copy of any eService Notifications emails to that service contact to also be sent to the Administrative Copy email address.
- Opt the Service Contact into the eFileCA Public Service Contact List.

7. Attorneys

The list of attorneys on the **Firm Attorneys** (Figure 2-17) page will automatically populate the attorney-of-record selector when a filer is submitting a new case filing. Attorneys who are registered in the eFileCA system will automatically display on this page. You can add attorneys to this list without registering them in the eFileCA system.

| Full Name | Bar Number |
|------------------|------------|
| Kinda J. Reese | 20861500 |
| Wilma Adair | 805000 |
| Samuel M. Jones | 00967344 |
| Kinda Reese | 805000 |
| James R. DeSpain | 99999999 |
| Thomas Schenckel | 20861500 |

Figure 2-17, Firm Attorneys

8. Reports

The **Reports** feature (Figure 2-18) contains many different report types you can run, whether it be to assist in billing, to check on submissions/filing for a specific case, check on submissions by a specific staff member, etc.

There are three categories of reports from which you can select to generate:

- **eFiling** - Generate these reports to view submissions of eFilings and/or eServices.
- **eServices** - Generate these reports to view inbound and outbound eServices to your firm attorneys.
- **Alerts** - Generate these reports to view firm-wide Failed and Returned for Correction filings as well as failed eService attempts and failed fax service attempts by your firm.

Figure 2-18, Reports

Learn more about the reports in Chapter 8.

9. Case Templates

The **Case Templates** feature (Figure 2-19) enables your firm eFiling Administrator to create and edit case templates to be used by staff to file in new cases. The template saves the filer time because the template data is defaulted into the new case filing.

D. My Account Sub-Navigation Bar

The **My Account** section (Figure 2-20) contains all data specific to a registered user in FileTime and the eFileCA system.

Every registered firm member has access to this area to update their personal information.

Figure 2-20, My Account

1. Personal Info

Go to the **Personal Info** page (Figure 2-21) to update your name, opt in to be added to the eFileCA Public Service Contact List, or to update your security question.

2. Notification Preferences

eFileCA automatically send a number of eFiling and eService status emails to you. See [Chapter 10](#) to view samples of these emails. On the **Notification Preferences** page (Figure 2-22) you and your firm users can manage which ones to receive.

You can also designate additional people to receive [Notification of Service emails](#) for any eServices sent to you by counsel.

Uncheck any Notifications that you do not wish to receive.

| Julia Griffin | jgriffin@mailinator.com | Edit Delete |

Figure 2-22, Notification Preferences

3. Change Password

The **Change Password** page (Figure 2-23) is where you go to, well... change your password. You can also change your **Security Question** on this page. This is especially important to do if you or we had eFileCA manually update your password because the automated **Forgot Password** function did not work correctly for you.

The screenshot shows the 'Change Password' page. At the top, there is a navigation bar with tabs: WORKSPACE, ADMIN, MY ACCOUNT (selected), TRAINING, and SUBMIT FILING(S). Below this, a sub-navigation bar contains links: Personal Info, Notification Preferences, and Change Password. The main heading is 'Change Password'. The form includes fields for 'Current Password', 'New Password', and 'Confirm Password', each with a 'Required' label. There is a 'Security Question' dropdown menu with the text 'What is the name of your favorite childhood friend?' and a 'Security Answer' field with a 'Required' label. A green 'Change Password' button is at the bottom.

Figure 2-23, Change Password

E. Training Sub-Navigation Bar

We offer a number of training options and they are all accessed via the Training sub-menu as shown in figure 2-24.

The screenshot shows the 'Training Options' page. At the top, there is a navigation bar with tabs: WORKSPACE, ADMIN, MY ACCOUNT, TRAINING (selected), and SUBMIT FILING(S). Below this, a sub-navigation bar contains links: Training Options (selected), Register for Training, and Videos. The main heading is 'Training Options'.

Figure 2-24, Training

1. Training Options

The **Training Options** page (Figure 2-25) enables you to access our (1) live Internet-based training, (2) written guides such as this, and video training.

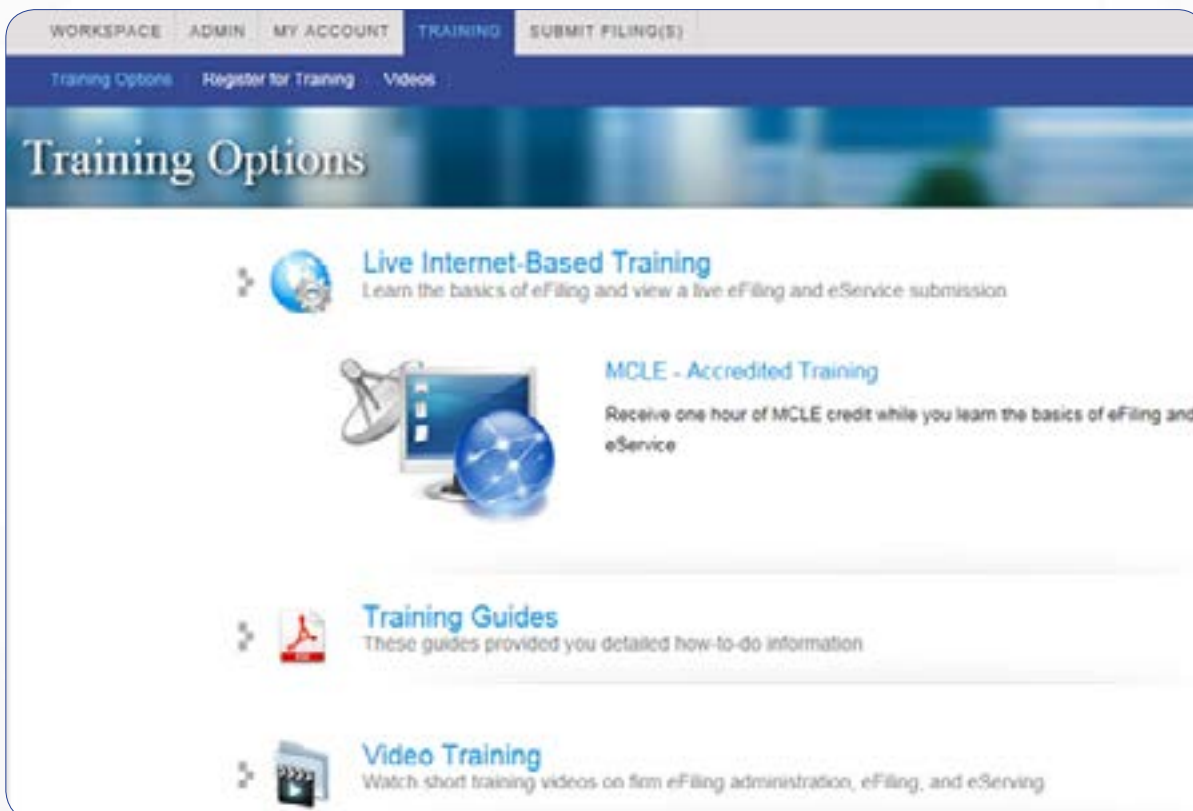

Figure 2-25, Training Options

2. Register for Training

Go to our **Register for Training** page (Figure 2-26) to register to attend one of our live Internet-based, Texas MCLE-accredited training sessions. Click the **Register** button for the session you wish to attend.

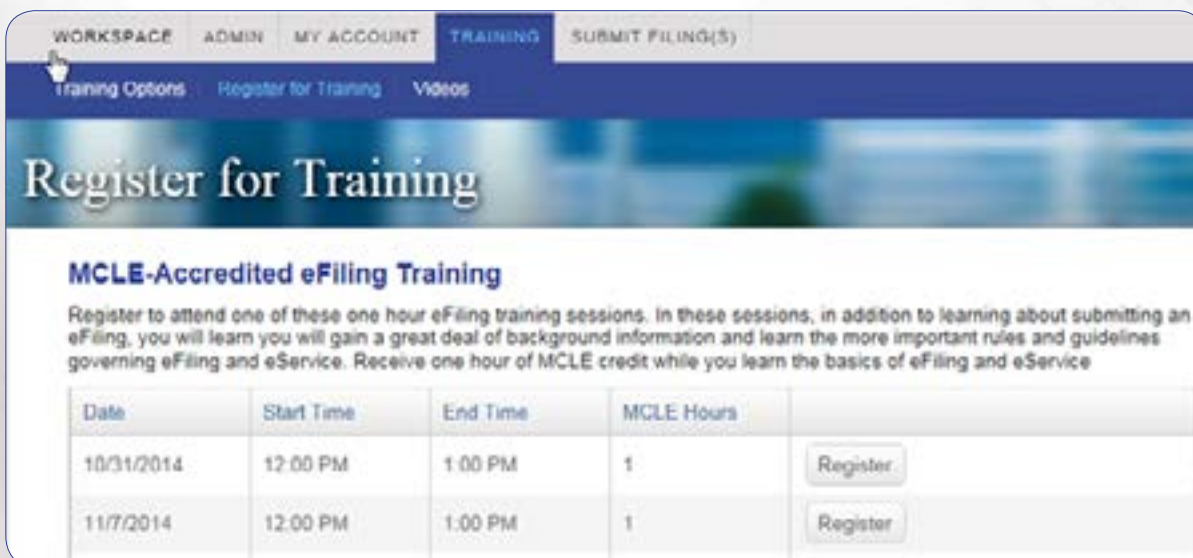

Figure 2-26, Register to Attend Texas MCLE-Accredited Training

3. Videos

[Go here](#) to view our training videos.

F. Submit Filing(s)

Clicking this button is one of the ways to start a new submission.

Chapter 3

III. Administering Firm Users

The **Firm Users** page (**Figure 3-1**) is arguably the most important page in the Admin section because it provides you so much control of your firm staff that are registered in the eFileCA system.

When you go to this page you will see everyone in your firm who is registered with the eFileCA system and associates with this firm account. If you do not see a firm member on this list and you know that he/she is registered with the eFileCA system, most likely:

- that person created a new firm account and registered with the system through that different firm account or
- you, or they, registered with eFileCA through another service provider and we do not yet have their name in our database. See **Update Users from eFileCA (A)** below for more about this.

Call our Customer support team at 800-658-1233 if this situation arises so we can check on it for you.

| First Name | Middle Name | Last Name | Email | Role | Status | Action |
|------------|-------------|-----------|------------------|---------------|------------|--------------|
| Julia | | Griffin | jgriffin@mat... | Filer | Unverified | F Pending H |
| Shannon | M. | Locke | smlucke@ma... | Filer | Unverified | |
| Beverly | | Ackermann | bachermann... | Filer | Active | G Approved I |
| Alicia | | Delgado | AliciaDelgado... | FilerAdmin | Active | Approved |
| Jesse | R. | Delapan | jdelapan@ma... | FilerAttorney | Active | Locked |
| Kendra | J. | Reese | kendra.reese2... | FilerAdminAtt | Active | Approved |

Figure 3-1, Firm Users Page

Here is a description of the functions on this page:

A. Update Users from eFileCA

Click this button (Figure 3-1, A) to download the most recent information about your firm eFiling users from eFileCA. If anyone registered from and made changes to their registration from another service provider, clicking this button will cause FileTime to download that new data.

B. Make All Registered Attorneys available to accept eService

Clicking this button (Figure 3-1, B) will add all of your registered firm attorneys to the eFileCA Public Service Contact List. This will enable your firm attorneys to conform to the TRCP and TRAP that require an attorney to be available for eService in mandatory eFiling jurisdictions.

C. Register Firm Users

Click this button (Figure 3-1, C) to register new staff or attorneys with eFileCA through your FileTime firm account.

D. Approve Users

If your firm allows firm members to register themselves (**Admin > Firm Info**), you will need to approve their registration application before they can complete the registration process.

If this situation arises, you will receive an email from FileTime stating that you need to approve this user.

Login to FileTime and click the **Approve User** button (Figure 3-1, D) to approve the new registrant.

E. User Roles

The Roles column (Figure 3-1, E) enables you to quickly view the roles assigned to each registered firm user. You can change the firm roles over in the **User Details** section - see **Section L** below.

Only Administrators have access to the Admin area and you can appoint as many administrators as you wish.

F. Registration

The Registration column shows whether or not the firm user has completed the registration process.

1. Unverified

An **Unverified** status (Figure 3-1, F) indicates that the person has not clicked the **Activate Account** link in the [Account Activation email](#) sent to him/her by eFileCA. If he/she does not have a copy of that email you can resend it by clicking the **Resend Activation Email** (**Section N**).

2. Active

Active status (Figure 3-1, G) indicates that this person has completed the registration process and is ready to eFile.

G. Status

The Status column enables you to quickly spot any registrants you need to approve.

1. Pending

Pending status (Figure 3-1, H) indicates that you need to Approve this new registrant.

2. Approved

Approved status (Figure 3-1, I) indicates that the user has been approved by a firm admin.

H. Update Filer Information

Update the name of the highlighted firm user in this area (Figure 3-1, J).

eFileTexs does not allow those with a role of Filer (as opposed to those with a role of Administrator) to update their name and email address. Only a person with the Administrator role can do so from this section.

I. Update Filer Email Address

The email address of every registrant in the eFileCA system must be unique. But, you can update the email address for your firm users in this field (Figure 3-1, K).

The eFileCA system does not allow you as a firm admin to update your personal email address in this manner. If you are an Admin, you must update your email address through **My Account > Personal Information**. [Read more detailed information about updating email addresses.](#)

J. Update Filer Roles

In this section (Figure 3-1, L) you can appoint as many roles as needed for each registrant. If the user is an attorney you can add or update the bar number.

By default, the first person to register a firm account is assigned roles of Administrator and Filer.

The three roles available in the system are:

1. **Administrator** - Only administrators have access to the Admin section.
2. **Filer** - Only Filers can submit eFilings and eService. A firm user with the dual roles of Administrator and Filer can both eFile and access the Admin section.
3. **Attorney** - An attorney who is assigned this role only cannot eFile and does not have access to the Admin section.

If you click the **Attorney** option you will be prompted to add the attorney's bar number and it will display in this area.

You may assign as many roles to each firm user as necessary.

You can also opt this user into the eFileCA Public Service Contact List by clicking the **Opt-in to receive eService** button.

K. Update Button

Be sure to click this button (Figure 3-1, M) if you made any changes above.

L. Users Actions

The buttons in this yellow-highlighted area will vary.

1. Resend Activation Email

This button (Figure 3-1, N) only displays when the highlighted user is a new registrant and still showing a Registration status of Unverified.

2. Reset Password

You can reset firm users' password using the **Reset Password** button (Figure 3-1, O).

3. Delete Filer

Click the **Delete** (Figure 3-1, P) button to inactivate the registration of any of your firm members that depart your firm.

4. Unlock User

eFileCA locks an account when a filer makes five consecutive unsuccessful attempts to login.

The Status of the filer will then display as Locked.

Clicking the **Unlock** button (**Figure 3-2, A**) enables you to unlock the account and reset the password.

Figure 3-2, Unlock the User

Chapter 4

IV. Registering Firm Members

Perhaps the most important thing to know about registering in the eFileCA system is that you only need to register once for a firm. After you have registered that registration information is saved by eFileCA and you can then login to the system through any other service provider.

In other words, if you already have a firm account and have been eFiling through the eFileCA free service provider portal, you can login at FileTime with the same credentials and begin eFiling immediately.

If you are not sure whether you are registered with the eFileCA system, try registering. If you receive a warning that your email address is already in use, then you, or someone on your behalf, has already registered you with the eFileCA system.

A. Set Up a Firm Account and Register Yourself

If you are reading this guide before you have registered with any service follow the instructions below.

If you have previously registered with eFileCA you can login to FileTime without re-registering in the eFileCA system. Call our Customer Support team at 800-658-1233 if you have any questions about registering or logging in.

Figure 4-1, Click the REGISTER NOW Button

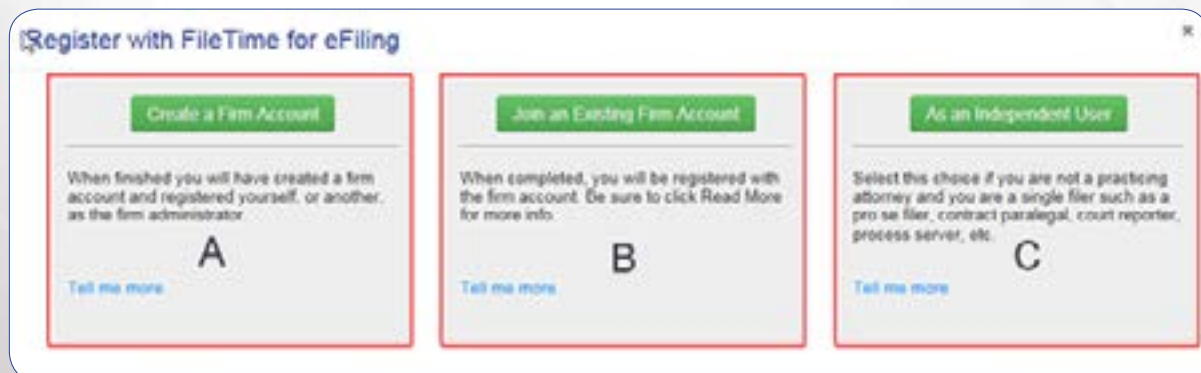

Figure 4-2, Choose the Registration Option

1. Create a Firm Account

Always choose this option (Figure 4-2, A) if you are a law firm, a solo attorney licensed in the state of Texas, or you have multiple filers in your organization and there is an attorney under which the non-attorneys can submit eFilings.

2. Join an Existing Firm Account

Choose this option (Figure 4-2, B) to register yourself with an existing firm account. If you are not sure whether your firm has an eFiling account or not, choose this option first. If your firm

does not have an existing firm account this will become apparent to you during the registration process and you can choose instead the Create a Firm Account option.

You can only join a firm account that allows firm staff to register themselves. If, during the registration process, you receive a message that your firm does not allow staff to register themselves you will need to have a firm eFiling manager register you.

3. As an Independent User

This option (Figure 4-2, C) is not for attorneys or the legal support team, unless a legal support team member is filing as a pro se filer.

Court reporters, process servers, etc., should choose this option. Under this option you will not need a Texas licensed attorney associated with your account.

B. Allow Users to self register for this account

The firm eFiling Administrator(s) can allow firm staff to self-register. To do so, after logging into FileTime, click the **Admin** tab and then **Firm Info**.

Click the **Allow users to self register for this account** option (Figure 4-3) and **Save Changes**.

The screenshot displays the 'Firm Information' page in the FileTime system. The top navigation bar includes 'WORKSPACE', 'ADMIN', 'MY ACCOUNT', 'TRAINING', and 'SUBMIT FILING(S)'. Below this, a secondary bar lists various firm-related options: 'Firm Users', 'Firm Info', 'Payments Accounts', 'Firm Fee', 'Firm Contacts', 'Service Contacts', 'Attorneys', 'Reports', and 'Case Templates'. The main heading is 'Firm Information'. A sub-heading reads: 'Please complete the following to update your firm account with FileTime.' The form contains several input fields: 'Firm Name' (filled with 'Law Office of Kindra Reese'), 'Address1' (filled with '123 High Point Dr'), 'Address2' (filled with 'PO Box 5834'), 'City' (filled with 'San Antonio'), 'Zip' (filled with '78245'), 'State' (a dropdown menu showing 'TX'), and 'Phone Number' (filled with '(210) 555-5555'). Under the 'Firm Options:' section, there are three checkboxes: 'Make this account Texas sales tax exempt' (unchecked), 'Allow Users to self register for this account' (checked and highlighted with a red rectangular box), and 'Make Client ID required.' (unchecked). At the bottom right of the form are two buttons: 'Save Changes' (green) and 'Cancel' (gray).

Figure 4-3, Allow Firm Staff to Self Register

When a firm user registers him/herself the firm eFiling administrators will receive an [email alerting them to that fact](#).

An administrator must then login and approve the new registrant so that the registrant can complete the registration process.

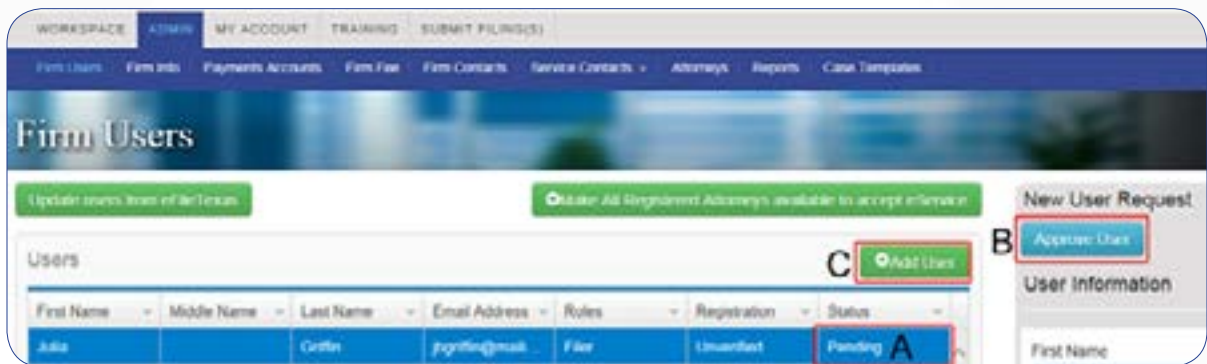

Figure 4-4, Approve New Registrant

Login to FileTime and go to **Admin > Firm Users**.

Click the name of the registrant, the **Status** will display as Pending (Figure 4-4, A), to highlight it.

Click the **Approve** button (Figure 4-4, B).

C. Register Users from the Admin Section

You can also register users as an administrator from the Admin panel.

Login to FileTime and go to **Admin > Firm Users**. Click the **Add User** button (Figure 4-4, C) and let FileTime guide you through the process.

You will not create a password or security question for the new user so the **Activate Account** email he/she will receive contains both the Activate Account link and a temporary password. Be sure to counsel the new registrant to login immediately to change the password and set the security question.

If the security question is not set, he/she will not be able to use the automated password reset feature.

D. Complete the Activation Process

The registration process is not complete until a new registrant:

- Clicks the **Activate Account** link in the email he/she receives from eFileCA and
- Logs into the eFiling system.

1. Activate Account Emails

Depending on how a new firm user was registered he/she will receive one of these two emails:

- **User Self-Registered** and created a password and set the security question.

Subject: **eFileCA.gov - New User Activation**

Body:

You have been registered with eFileCA.gov, the Texas E-Filing System. Please click on the link below to activate your account.

Activate Account

Do not reply to this email. This message was automatically generated by eFileCA.gov.

- **Firm Administrator Registered** so no password was created or security question set

Subject: **eFileCA.gov - New User Activation**

Body:

You have been registered with eFileCA.gov, the Texas E-Filing System. Please click on the link below to activate your account.

Activate Account

After activating your account, please use the following system generated password.

Password: **\$\$\$newpassword**

Your password is made up of numbers, letters, and characters. In order to make sure you are entering the password accurately, it is easiest to copy and paste the password into the EFSP system.

Do not reply to this email. This message was automatically generated by eFileCA.gov.

2. Login

To complete the registration process, after the new registrant clicks the **Activate Account** link in the email, he/she must login to the eFileCA system through any service provider.

Chapter 5

V. Manage Your Firm's eFiling Users

As a firm eFiling administrator you can perform the following tasks from the **Admin > Firm Users** page (Figure 5-1).

The screenshot shows the 'Firm Users' page with a table of users and a 'User Information' form on the right. The table has columns for First Name, Middle Name, Last Name, Email Address, Role, Registration, and Status. The 'User Information' form has fields for First Name, Middle Name, Last Name, Email Address, and Confirm Email Address, along with checkboxes for roles and a 'Save Changes' button.

| First Name | Middle Name | Last Name | Email Address | Role | Registration | Status |
|------------|-------------|-----------|--------------------|----------------|--------------|----------|
| Alice | | Delgado | alice@delgado.com | Filer | Unverified | Pending |
| Shannon | W | Larkin | shannon@w.com | Filer | Unverified | Approved |
| Beverly | | Adkins | beverly@adkins.com | Filer | Active | Approved |
| Alice | | Delgado | alice@delgado.com | Firm Admin | Active | Approved |
| James | R | Delgan | jdelgan@delgan.com | Filer/Attorney | Active | Locked |
| Kendra | J | Reese | kendra@reese.com | Firm Admin | Active | Approved |

User Information

First Name: Alice

Middle Name: A

Last Name: Delgado

Email Address: alice@delgado.com

Confirm Email Address: B

☒ Filer

☒ Admin

☐ Attorney

☒ Opt-in to accept eService

Save Changes

Figure 5-1, Firm Users Page

A. Update User Information

A firm user with a role of Filer or Attorney cannot update his/her name. Only a firm user with a role of Administrator can change the name of the firm filers and/or attorneys.

A Firm Administrator can update his/her name. Under **Admin > User Information**, click the name of the filer you wish to update. Make any changes in the **User Information** section (Figure 5-1, A) and click the **Save Changes** button.

B. Update a User's Email Address

A firm user with a role of Filer or Attorney cannot update his/her email address. Only a firm user with a role of Administrator can change the email address of the firm filers and/or attorneys.

Click on the name of the user on the **Firm Users** page to highlight it. Update that person's email address in the **User Information** section (Figure 5-1, B).

NOTE: Administrators can only update other users' email address through this Admin function. Admins must go to **My Account > Personal Information** to update their personal email address.

C. Resetting Passwords

If your firm filer cannot, or will not use the automated password reset function you can perform this task for him or her.

Click on the name of the user on the **Firm Users** page to highlight it. Click the **Reset Password** button (Figure 5-1, C) and let FileTime guide you through the process.

D. Unlock Filer Account

eFileCA locks a user's account after five unsuccessful login attempts.

The user's account will show a **Status of Locked** (Figure 5-1, E) when this occurs.

To unlock the user's account, click on the name of the user on the **Firm Users** page to highlight it. Click the **Unlock** button (Figure 5-2, A). You will unlock the account and reset the password for the user.

Figure 5-2, Filer Locked Out

E. Resend the Registration Activation Email

The registration process for a new user is not complete until the new user clicks the Activate Account in the [New User Activation email](#).

The **Registration** status for anyone who has not completed this step will display as **Unverified** (Figure 5-3, A).

To resend the activation email to the user, click on the name of the user on the **Firm Users** page to highlight it. Click the **Resend Activation Email** button (Figure 5-3, B).

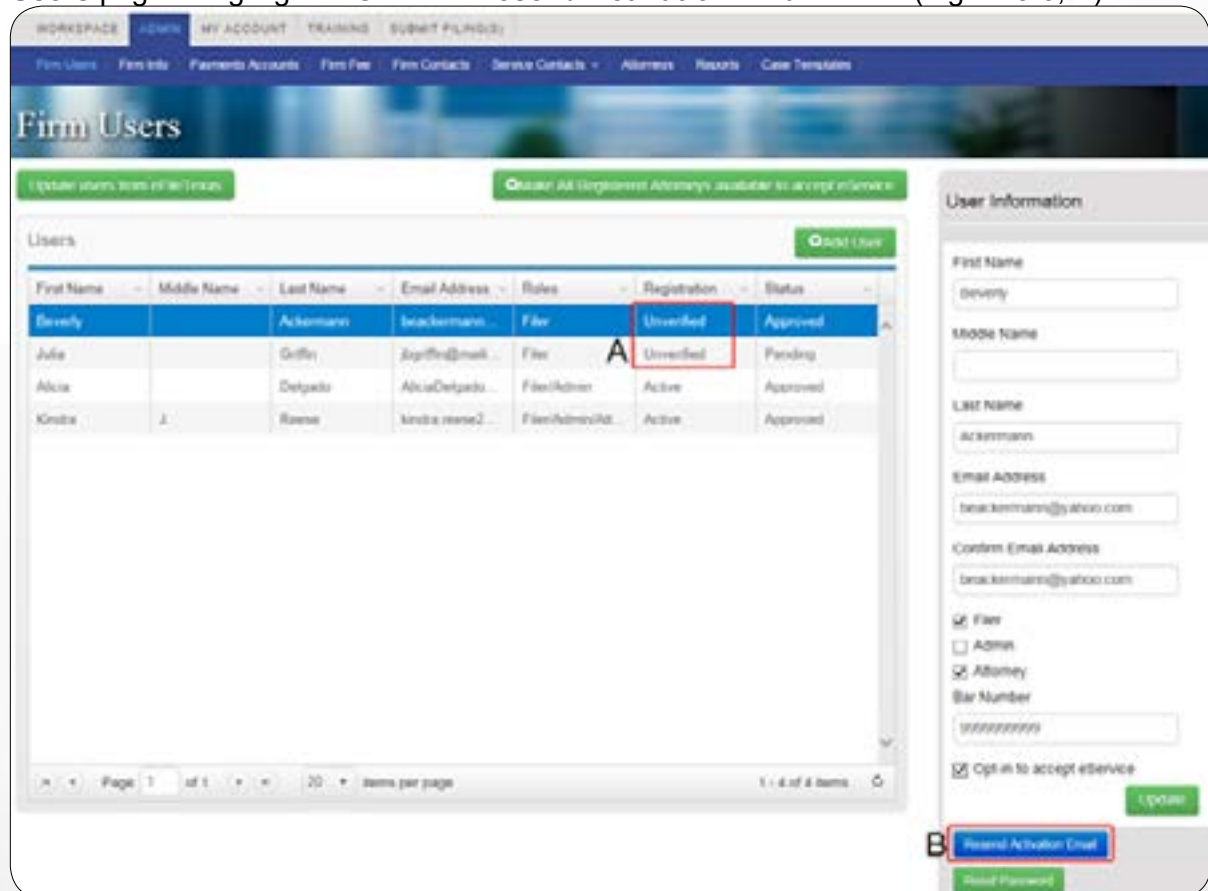

Figure 5-3, Resend Activation Email

F. Delete Firm Users

When a user leaves your firm for any reason you can delete him/her from your firm account.

Click on the name of the user on the **Firm Users** page to highlight it. Click the **Delete** button (Figure 5-1, D).

Deleting a firm user:

- Inactivates that person's eFiling account (email address) in the entire eFileCA system, and
- Removed that person as a service contact for all firm cases, but
- Does not remove that person from your firm's list of firm service contacts.

Chapter 6

VI. Manage Your Firm's Service Contacts

Service Contacts in the eFileCA system are anyone that may be added to a case to be eServed by counsel. Anyone, both attorneys and non-attorneys, can be service contacts and be associated with a case to receive eService.

A. General Information about Service Contacts

1. Service Contacts versus eService Recipients vs Non-Firm Service Contacts

eFileCA labels all service contacts for a case as Service Contacts. We choose to add finer distinctions between your own firm's service contacts and those associated with other case counsel.

- a. **Service Contacts** - FileTime labels your own firm members as **Service Contacts**. Your service contacts will be eServed for the case the first time your firm adds them as a service contact for your firm. However, on future submissions by your firm in the case, FileTime suppresses eServices to your own firm service contacts so your team is not receiving eService Notification emails for your own eServices.
- a. **eService Recipients** - FileTime labels service contacts for other case counsel as **eService Recipients**. They will receive eServices when your firm submits eServices for the case, unless your firm members specifically choose not to eServe them.
- a. **Non-Firm Service Contacts** - This is an attorney for another case party that your firm has added as a service contact for the case because that counsel has not made him/herself a service contact for the case and is not on the eFileCA Public Service Contact List, so cannot be added from that list. The **Non-Firm Service Contact** option is the final solution. Your firm members add that counsel, technically as a service contact under your firm, but add the correct firm name for the counsel to display.

1. Edit and Remove only Service Contacts Added by Your Firm

By design of the eFileCA system, you cannot edit or remove case service contacts added by another firm. You can only edit or delete case service contacts, or Non-Firm Service Contacts, added to the case by your firm.

A. Adding Service Contacts to a Case

Service Contacts are added to case in five different ways:

- a. When your firm members are submitting filings they can assign as service contacts to the case your firm members who want to receive eServices for that case (Figure 6-1, A).

eService Contacts and Recipients

A

To: Firm Service Contacts(Your Firm Only)

| Name | Email Address | Firm Name | Case Party | |
|---------------------|------------------|-------------------------------|-----------------|---|
| Schoolcraft, Thomas | tom@filetime.com | Law Office of Tom Schoolcraft | Kingsley Osagie | <input type="button" value="Edit"/> <input type="button" value="Remove from Case"/> |

B

eService Recipients

| <input checked="" type="checkbox"/> | Name | Email Address | Firm Name | Case Party | |
|-------------------------------------|------------------|-------------------------|-----------------------|--------------------|-------------------------------------|
| <input checked="" type="checkbox"/> | Amanda Vogelman | amanda@mailinator... | Amanda Law | Charles L. Webster | <input type="button" value="Edit"/> |
| <input checked="" type="checkbox"/> | Kenneth Williams | kwilliams@mailinator... | Williams and Williams | Rhonda Osagie | <input type="button" value="Edit"/> |

C

E **F**

Figure 6-1, eFiling Submission Service Contacts Page

They click the **Add Service Contacts** button (Figure 6-1, C) to do so.

- a. When other counsel for the case eFiled they could have added their firm service contacts for the case which now display under the eService Recipients area (Figure 6-1, B) when your firm members eFile into the case.
- a. Your firm members can find and add counsel from the eFileCA **Public Service Contact List** to a case. This only works, of course, if the other counsel has been added by their firm to the eFileCA **Public Service Contact List**. They would click the **Add Counsel for eService** button (Figure 6-1, F) button to do so.
- a. If counsel: (1) has not been added as a service contact for the case by his/her firm, (2) is not on the **Public Service Contact List**, and (3) you know his/her email address; your firm members may can add that counsel as a **Non-Firm Service Contact**. They would click the **Add Non-Firm Service Contact** button (Figure 6-1, E) button to accomplish this.
- a. On the **Case Overviews** page (Figure 6-2) your firm filers can drill down in a case to get to the Service Contacts tab and there add and/or delete firm service contacts to the case.

Case Overviews

Cases

A **B**

Page 1 of 1 Items per page 1-2 of 2 items

Figure 6-2, Case Service Contacts Tab

On this tab they can:

- View all service contacts assigned to the case by all counsel (Figure 6-2, A),
- Detach any of your firm's service contacts associated with the case (Figure 6-2, B),

- Associate any of your firm service contacts to the case (Figure 6-2, C), and
- Associate Non-Firm Service contacts to the case (Figure 6-2, D).

A. Remove Service Contacts from a Case

There are multiple ways to remove a firm service contact from a case or cases.

- When your firm members are submitting filings they can delete firm service contacts from the case (Figure 6-1, D).
- On the **Case Overviews** page your firm administrators and filers can drill down in a case to get to the **Service Contacts** tab and there delete firm service contacts to the case (Figure 6-2, B).
- You can view all cases to which a firm service contact is associated and selectively delete the service contacts from cases (Figure 6-3).

Figure 6-3, Selectively Disassociate Cases from Service Contacts

- You can remove a firm service contact, and/or a Non-Firm Service Contact, from all cases. Do so under **Admin >Service Contacts** and **Non-Firm Service Contacts** sections.

Add New Firm Contact

Figure 6-4, Add and Delete Service Contacts

A. Managing Non-Firm Service Contacts

Your firm members can add new Non-Firm Service Contacts to your firm account and to a case. Once they have added the Non-Firm Service Contact, however, they cannot edit any information about that person. Your filers can only add and delete them for cases.

As a firm administrator, you can add, edit, and delete Non-Firm Service Contacts associated with your firm account (Figure 6-5).

However, if other firms have added your firm attorneys as Non-Firm Service Contacts for their firms, only they can edit or delete those Non-Firm Service Contacts of your firm members.

Non-Firm Service contacts

Edit Contact

Figure 6-5, Editing and Removing Non-Firm Service Contacts

Chapter 7

VII. Managing eFiling and eService Notification eMails

eFileCA and FileTime email send a large number of notification emails. Your firm members, especially your attorneys, may complain about the volume they receive. The following information will show you ways to:

- Opt anyone out of receiving any notification emails except Notification of Service emails,
- How to direct that certain staff members receive copies of all notification emails sent to your firm members,
- How attorneys can direct that notification emails sent to them can be sent to additional staff, and
- How your firm can direct that copies of Notification of Service emails be sent to as many additional staff members as needed.

A. Direct Emails to Other Staff Members

In the FileTime Admin feature you can add key firm contact persons and direct that copies of the notification emails sent to your firm filers are also sent to the key firm contacts. The recipients that you add here do not need to be registered with the eFileCA system.

If you plan to stop notifications to one or more firm members you might want to consider using this feature to make sure copies of those emails are delivered to an email address within your firm - even if it is a generic name and email address.

The **Firm Contacts** area (**Figure 7-1**) is reached by logging into FileTime, clicking the **Admin** button and then the **Firm Contacts** button on the sub-navigation menu.

| Full Name | Phone Number | Firm Contact Type |
|-----------------|----------------|-------------------|
| Kelly Hart | (210) 555-5555 | Administration |
| Daphne Catright | (555) 555-5555 | Accounting |
| Alice Delgado | (210) 555-5555 | Administration |

Contact Details

Full Name: Kelly Hart
Phone Number: (210) 555-5555
Firm Contact Type: Administration
Email Address: khan@starfirm.com

Check any Notifications you want to receive:

- ☒ Receive Notification of Filing Submissions Emails
- ☒ Receive Notification of Accepted Submissions Emails
- ☒ Receive Notification of Registered Submissions Emails
- ☒ Receive Notification of Service Status Emails

Figure 7-1, Set Up Firm Contacts and Notification Email Preferences

1. Add a New Firm Contact

Click the **Add Contact** button (Figure 7-1, A) to add a new firm contact.

In the **Add Firm Contact** window (Figure 7-2):

- Leave the default of **New Contact** (Figure 7-2, A) if you are adding a new person to the list.
- Enter the name and email address of the contact.
- Select the closest match for **Firm Contact Type**.
- Check any of the Notifications eMails you want the contact to receive (Figure 7-2, C).
- Click the **Add Firm Contact** button when done.

32

2. Edit an Existing Firm Contact

Any existing **Firm Contacts** will display.

Click the name of the Firm Contact you wish to edit. It will be highlighted (Figure 7-1, D).

Make any changes needed in the name, email address, and/or **Firm Contact Type**.

Check or uncheck any notification emails (Figure 7-1, C) for the contact to receive or not receive.

Click the **Save Changes** button.

B. Direct eService Emails to Additional Firm Staff Member

As a firm eFiling administrator, login to www.filetime.com.

Click the **Admin** button (Figure 7-3, A) on the top navigation bar and then click the **Service Contacts** button on the sub-navigation bar.

On the drop-down menu, click **Firm Service Contacts** (Figure 7-3, B).

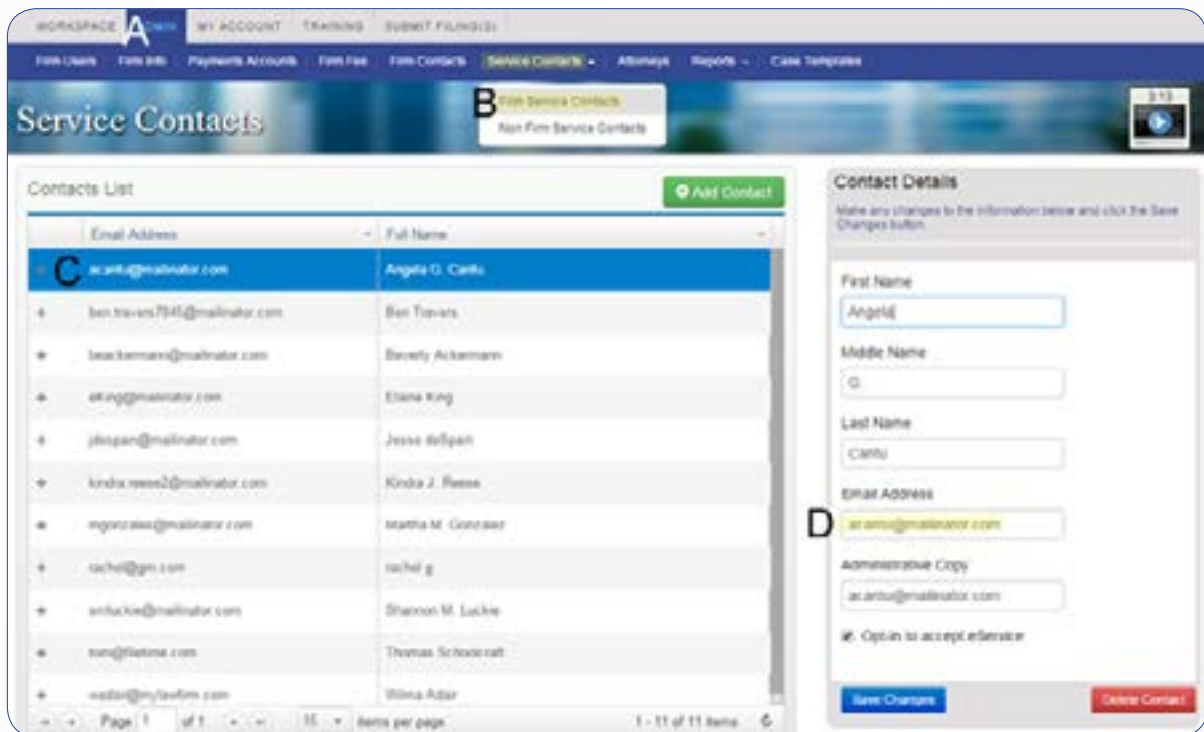

Figure 7-3, Add Administrative Copy Email Address to User

Find the name of a firm attorney to highlight his/her name (Figure 7-3, C). If he/she is not on this list, click the **Add Contact** button and add him/her.

In the **Contact Details** section on the right side, add an email address in the **Administrative Copy** area (Figure 7-3, C) to which additional copies of eService Notification emails should be delivered.

Click **Save Changes**.

From now on, when other firm counsel serves this attorney, an [additional copy of the notification email](#) will go to the **Administrative Copy** email address you just entered.

C. Add Additional eService Notification eMail Recipients

FileTime enables you to add an unlimited number of additional eService notification email recipients for any eServices you are sent. This feature is unique to FileTime.

In section 7,B. above we showed how to add an Administrative Copy recipient but that is limited to one email address. This feature enables you to add an unlimited number of recipients.

If you add the same email address to the Administrative Copy area and to this section that individual will receive two eService Notification copies for every eService so you should choose one or the other.

To add multiple eService notification recipients:

Click **My Account** on the top navigation bar (Figure 7-4, A).

Click the down arrow to the right of the **Notification Options** button (Figure 7-4, B).

Click **eService Notification Copies** on the drop-down menu (Figure 7-4, C).

On the **eService Notification Copies** page (Figure 7-4) you will see all individuals (Figure 7-4, E), if any, already added to receive copies of eService Notification emails sent to you.

Click the **Add eService Notification** button (Figure 7-4, F) to add a new recipient.

Let FileTime guide you in adding the new recipient.

The screenshot shows the 'eService Notification Copies' page in the FileTime system. The page has a navigation bar with 'WORKSPACE', 'ADMIN', 'MY ACCOUNT', 'TRAINING', and 'SUBMIT FILING(S)'. Below the navigation bar, there are links for 'Personal Info', 'Notification Preferences', and 'Change Password'. The main heading is 'eService Notification Copies'. Below the heading, there is a sub-heading 'eService Notification Copies' and a description: 'Add names and email addresses below of additional firm staff to whom you want sent copies of any eService Notification emails delivered to your email address.' There is a button 'Add eService Notification' and a table with the following data:

| Name | Email Address | |
|-------------------|------------------------------|-------------|
| Bill Brooks | bbrooks@mailinator.com | Edit Delete |
| Beverly Ackermann | beackermann@mailinator.com | Edit Delete |
| Alicia Delgado | AliciaDelgado@mailinator.com | Edit Delete |

Figure 7-4, eService Notification Options

D. Customize the eService Notifications Copies List

In section C above we showed you how to create a default list of recipients to receive copies of eService notifications sent to a firm service contact.

However, FileTime also provides a for the firm to create a custom list of recipients for cases. When you create a custom list FileTime ignores the default list of recipients and sends the eService Notification emails only to the names on the case eService Notifications list.

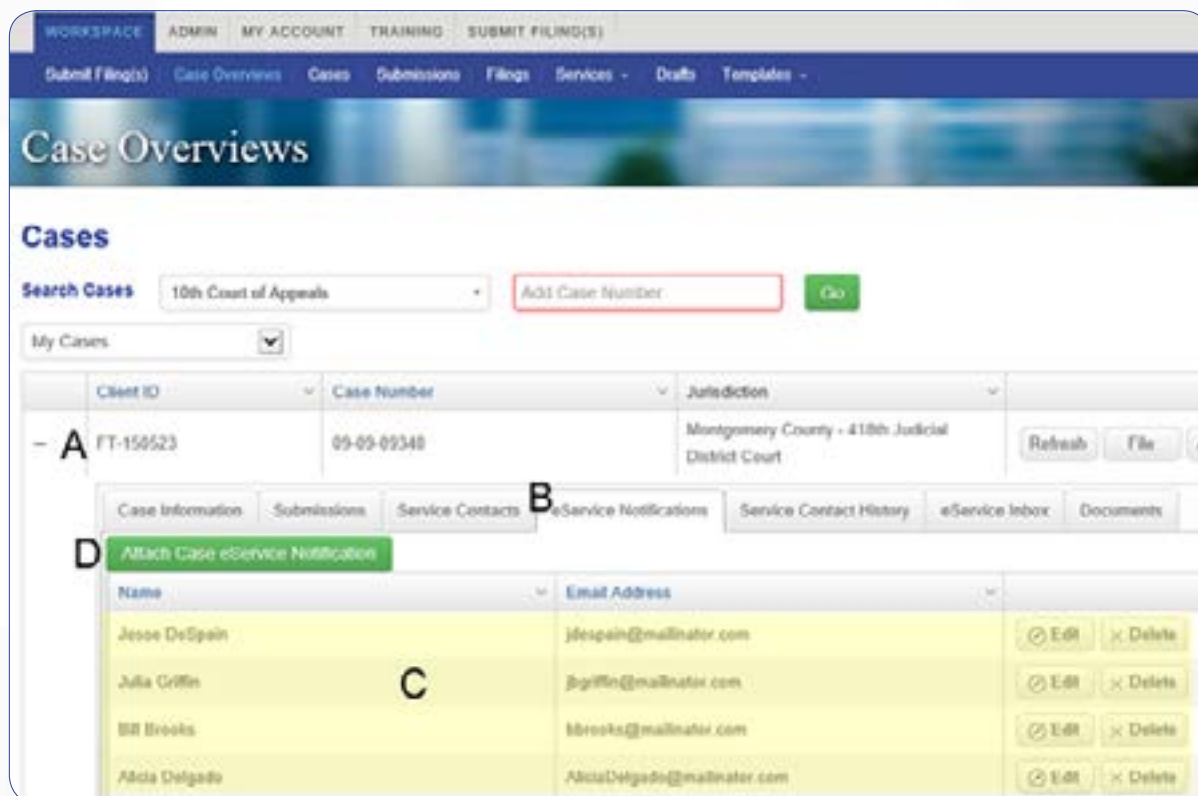

Figure 7-5, Case-Specific eService Notifications list.

From the **Workspace** and while on the **Case Overviews** page, find the case for which you want to create a custom eService notification emails distribution list.

Click the **+** sign in the far left column so that it becomes a **-** sign (Figure 7-5, A).

The case tabs open below the case.

Click the **eService Notifications** tab (Figure 7-5, B).

Any recipients that your firm has already added for the case will display (Figure 7-5, C).

Click the **Attach Case eService Notification** button (Figure 75, A) to add recipients.

Click the **Edit** and **Delete** buttons for a recipient on the list as needed.

Again, when names are added to this list, only these individuals will receive notification of service emails for this case.

E. Select to Not Receive Specific Notification Emails

Individual users can opt out of receiving specific notification emails from eFileCA.

Click **My Account** on the top navigation bar (Figure 7-4, A).

Click the down arrow to the right of the **Notification Options** button (Figure 7-4, B).

Click **Other Notification Emails** on the drop-down menu (Figure 7-4, D).

You are now on the **Other Notification Emails** page (Figure 7-5).

There are two sections of this page.

In the top part, uncheck any notification emails that you do not want to receive:

1. eFileCA Emails

- [Filing Accepted](#) - You receive this for every filings accepted by the clerk.

- [Filing Submitted](#) - You receive this after each filing is received by eFileCA from you.
- [Filing Returned for Correction](#) - You receive this when the clerk returns the filing for correction.
- [Service Undeliverable](#) - This means that the eService cannot be delivered to the intended recipient.
- [Filing Submission Failed](#) - You receive this when eFileCA fails the filing before it gets to the clerk. The reason is always a problem with one of more of the documents.

2. FileTime Notification Emails

- [Filing Submitted](#) - You receive this for each submission.
- [Filing Accepted](#) - This comes to you after a filing is accepted and it provides billing information.
- [Filing Failed](#) - You receive this when eFileCA fails a submission.
- [Filing Returned for Correction](#) - You receive this email, which contains information about how to re-eFile and preserve the original submission date when the clerk returns a filing for correction.
- [Service Status](#) - This email updates you on the status of all the eService recipients after you eServe them.

Be sure to click the **Submit Changes** button after you make any changes on this section.

The screenshot shows the 'Case Overviews' page in the eFileCA system. At the top, there are navigation tabs: WORKSPACE, ADMIN, MY ACCOUNT, TRAINING, and SUBMIT FILING(S). Below these are sub-tabs: Submit Filing(s), Case Overviews, Cases, Submissions, Filings, Services, Drafts, and Templates. The 'Case Overviews' section is active, displaying a 'Cases' table. The table has columns for Client ID, Case Number, and Jurisdiction. A case is listed with Client ID 'A FT-150523', Case Number '09-09-09348', and Jurisdiction 'Montgomery County - 418th Judicial District Court'. To the right of the case entry are 'Refresh' and 'File' buttons. Below the case entry, there are tabs for Case Information, Submissions, Service Contacts, eService Notifications, Service Contact History, eService Inbox, and Documents. The 'eService Notifications' tab is selected, showing a table of recipients. The table has columns for Name and Email Address. There are four recipients listed: Jesse DeSpain, Julia Griffin, Bill Brooks, and Alicia Delgado. Each recipient has 'Edit' and 'Delete' buttons next to their email address. A green button labeled 'Attach Case eService Notification' is at the top of the recipients list. A red box highlights the 'Add Case Number' input field in the search bar. Labels A, B, C, and D are placed on the screenshot to indicate specific areas of interest.

Figure 7-6, Opting Out of Notification eMails and Adding New Recipients

F. Add Recipients for all the eFileCA and FileTime Notification Emails to You

In the previous section we showed how to stop the notification emails from being sent to you.

In the **Administrative Copies** section (Figure 7-6, A) you can now tell eFileCA and FileTime to send ALL of those Notification emails to as many email addresses as you wish.

Click the **Add New Recipient** button (Figure 7-6, B).

FileTime will guide you to add a new email address to this list.

When you are done, any email address displayed in the Administrative Copies area will receive copies of ALL the eFileCA and FileTime notification emails listed above.

G. Redirect Notification Emails to Avoid the User's Inbox

If your firm uses Microsoft Outlook® as your email client, you can make rules in each attorney's Outlook to direct any eFiling or eService notification emails to a folder other than the attorney's email In box. This will prevent him or her from seeing them at all.

Read [Configuring Rules in Microsoft Outlook to automate message handling](#)

Chapter 8

VIII. Generating Reports

The FileTime Reports feature provides your firm powerful tools for generating reports on virtually any aspect of your firm's eFiling and/or eService activities and Alerts. This can be for billing purposes, for case reviews, etc. Only firm eFiling administrators have access to the Reports features.

We provide your firm three major categories of report types:

- **eFilings** - These reports provide different ways to view filings, submission, and billing details for your firms activities.
- **eServices** - These reports provide you the ability to view eServices inbound to your firm by other case counsel and outbound services by your firm to other firm counsel.
- **Alerts** - These reports enable you to view firm-wide failed filings, returned for correction filings, failed eServices by your firm to other case counsel, and failed fax services.

A. Accessing the Reports Feature

Login at www.filetime.com and click the **Admin** button. If you do not see the Admin button you need to have your firm eFiling administrator assign the Admin role to you so you have access to this feature.

Click the **Reports** button on the sub-navigation bar.

The reports drop-down menu opens. Select the report type you want to generate.

Figure 8-1, Accessing The Reports Section

B. eFiling Reports

When you click eFilings on the Reports drop-down menu (Figure 8-1, A) you are taken to the **eFiling Reports** page (Figure 8-2).

We suggest that you take the time to review and generate all the report types after your firm has some eFiling submissions through FileTime. We found that firms have different requirements and one of our report types generally best meets their needs.

You won't really know which of the following reports best meet meets your needs until you run them and become familiar with them.

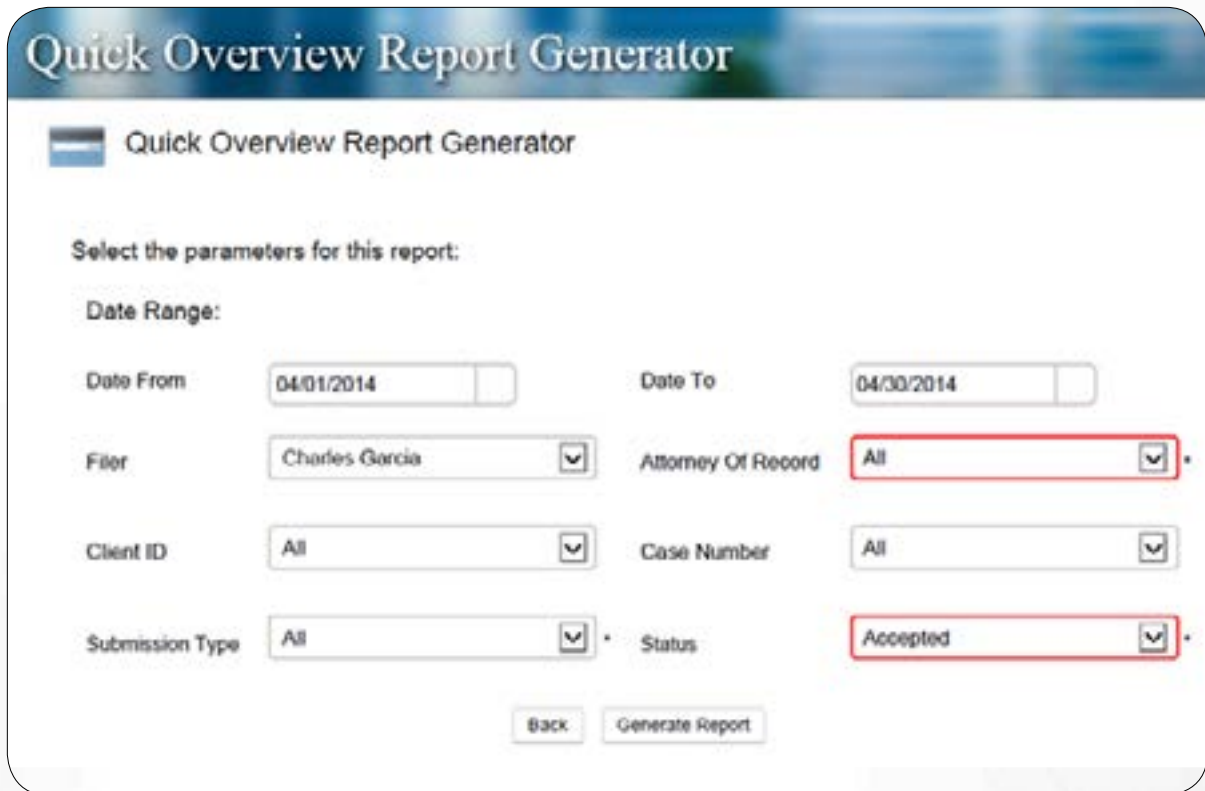

Figure 8-2, FileTime Report Options

1. Quick Overview Report

The overview report provides you a quick overview of eFiling and/or eService activities matching your selection criteria.

Figure 8-3 shows you the Generator page and Figure 8-4 shows a sample report.

The screenshot displays the 'Quick Overview Report Generator' web interface. At the top, there is a blue header with the title 'Quick Overview Report Generator'. Below the header, the main content area is titled 'Quick Overview Report Generator' with a small icon. The instructions 'Select the parameters for this report:' are followed by a 'Date Range:' section. The 'Date From' field is set to '04/01/2014' and the 'Date To' field is set to '04/30/2014'. Below these, there are several dropdown menus: 'Filer' is set to 'Charles Garcia', 'Attorney Of Record' is set to 'All', 'Client ID' is set to 'All', 'Case Number' is set to 'All', 'Submission Type' is set to 'All', and 'Status' is set to 'Accepted'. The 'Attorney Of Record', 'Status', and 'Submission Type' dropdowns are highlighted with red borders. At the bottom of the form, there are two buttons: 'Back' and 'Generate Report'.

Figure 8-3, The Quick Overview Report Generator

If you require only the total fees for a submission, for instance, you may find that this concise report provides all the information you need for billing purposes.

You can export the report in PDF or Microsoft Excel format.

Quick Overview Report

Report Parameters:

Date Range: 03/01/2015 - 06/18/2015

Filer: All

Attorney: All

Client ID: All

Cause Number: All

2. Design Your Report

The **Design-Your-Report Generator** enables you to create a report that exactly matches your needs.

The data types that you check in the **Select Table Columns** section below (Figure 8-5, A) establishes the column headers in your report. The more data types you select the more columns you will see on your report..

Design Your Report Generator

Customize the Report : Choose the columns to display on your report (more than 6 or 7 becomes extremely crowded)

| Select Table Columns | Select Parameters for this Report |
|---|--|
| <input checked="" type="checkbox"/> Submission ID | Submitted Date Range: |
| <input checked="" type="checkbox"/> Submission Date | Date From: 06/01/2015 Date To: 06/30/2015 |

| <input type="checkbox"/> eFileTexas Service Fee | |

Back Generate Report

Figure 8-5, The Design-Your-Report Generator

Any data types you selected in section A above can now be filtered by the corresponding filter in section B. For example, since Attorney was selected in column A (Figure 8-5, C), the user can now choose to filter the report for a specific attorney (Figure 8-5, D), if desired. In this example the user wants to filter for all submissions by all firm attorneys for the selected date range.

If you select more than six or seven columns the initial report as you see it in Figure 8-6 will be quite crowded. However, after you export the report to Microsoft Excel® (csv) format you can then adjust the column widths to best suit your needs.

You can save this export this report to PDF file format.

Figure 8-6, The Design-Your-Report Report

3. Credit Card Reconciliation Report

This option provides you a quick fairly detailed report of all accepted submissions and eService-only submissions for your firm during the date range you choose.

You can also choose to filter the report by Payment Account.

The screenshot shows a web interface titled "Credit Card Report Generator" in a large, stylized font at the top. Below the title is a smaller header with a blue icon and the text "Credit Card Report Generator". The main content area is titled "Select the parameters for this report:". Under this, there is a section labeled "Accepted Date Range:". It contains two date pickers: "Date From" with the value "01/01/2014" and "Date To" with the value "06/30/2014". Below the date pickers is a "Payment Account" dropdown menu currently set to "All". At the bottom of the form are two buttons: "Back" and "Generate Reports".

Figure 8-7, The Credit Card Reconciliation Report Generator

You can save this report in PDF or Microsoft Excel (csv) file formats.

The resulting report will resemble Figure 8-8.

Figure 8-8, Credit Card Reconciliation Report

4. Accepted Submissions Report

This report provides you greater control over what data is contained on your report of accepted filings for your firm than does the Credit Card Reconciliation Report. It takes more time to generate as you need to select which data fields you wish to have displayed. This report also enables you to be more selective of the data on which you wish to filter.

The screenshot shows a web interface titled "Accepted Submissions Report". Below the title is a section labeled "Select the parameters for this report:". Under this section, there is a "Date Range:" label. Below the label are two date pickers: "Date From" with the value "10/01/2013" and "Date To" with the value "03/27/2014". Below the date pickers are several dropdown menus arranged in two columns. The left column contains: "Payment Account" (All), "Filer" (All), "Client ID" (All), "Filing Type" (eFile & eServe), and "Client" (All). The right column contains: "Case Number" (All), "Jurisdiction" (All), "Case Type" (All), "Case Category" (All), and "Attorney Of Record" (All). At the bottom of the form are two buttons: "Back" and "Generate Reports".

7. Export Report Generator

Use this feature to generate a report that you can save as a CSV file for importing the data into your firm's case management system.

 **Export Report Generator**

Select the parameters for this export:

Accepted Filings - Date Range:

Date From  Date To 

Payment Account 

| SEQ | Include | Description | Input | Rules |
|--------------------------------|-------------------------------------|-------------|--|---|
| <input type="text" value="1"/> | <input checked="" type="checkbox"/> | Date | <input type="radio"/> mm/dd/yy <input type="radio"/> mm/dd/yyyy <input type="radio"/> yyyymmdd | |
| <input type="text" value="2"/> | <input checked="" type="checkbox"/> | Client | | Max Characters: <input type="text"/> |
| <input type="text" value="3"/> | <input checked="" type="checkbox"/> | Client ID | | Max Characters: <input type="text"/> |
| <input type="text" value="4"/> | <input checked="" type="checkbox"/> | Exp Code | <input type="text"/> | Max Characters: <input type="text"/> |
| <input type="text" value="5"/> | <input checked="" type="checkbox"/> | Fee | | Allow \$ Sign: <input type="checkbox"/> |
| <input type="text" value="6"/> | <input checked="" type="checkbox"/> | Narrative | <input type="text"/> | Max Characters: <input type="text"/> |

Figure 8-15, Export Report Generator

The data provided by default in this report is:

- **SEQ** - The Sequence column shows the order in which the data will display left-to-right in column format in your report
- **Include** - Uncheck the check box in this column to exclude the data in that row in your report.

- **Input** - This column provides a way for you to control the output format for:
 - **Date** – select the date formation you prefer
 - **Exp Code** – Enter the Expense code used in your case management system for billing eFilings.
 - **Narrative** – Enter whatever narrative you want to display for each filing billing
- **Rules** – This column enables you to define any data issues for the data for the row.
 - Set the maximum number of characters for specific data row if your case management system limits the number of characters for that data.
 - Select whether we should parse out \$ for the Fees data as it is exported to the report.

Depending on the options you chose for the report it might resemble the following (Figure 8-65):

Report Export Generate

Report Export - Results

Created: 5/17/2015 Export To Excel

Figure 8-16, Sample General Report

C. eServices Reports

The eServices reports (Figure 8-17) enable you to view a list of eServices to your firm filers from case counsel (the Inbox) and eServices from your firm to other case counsel (Outbox).

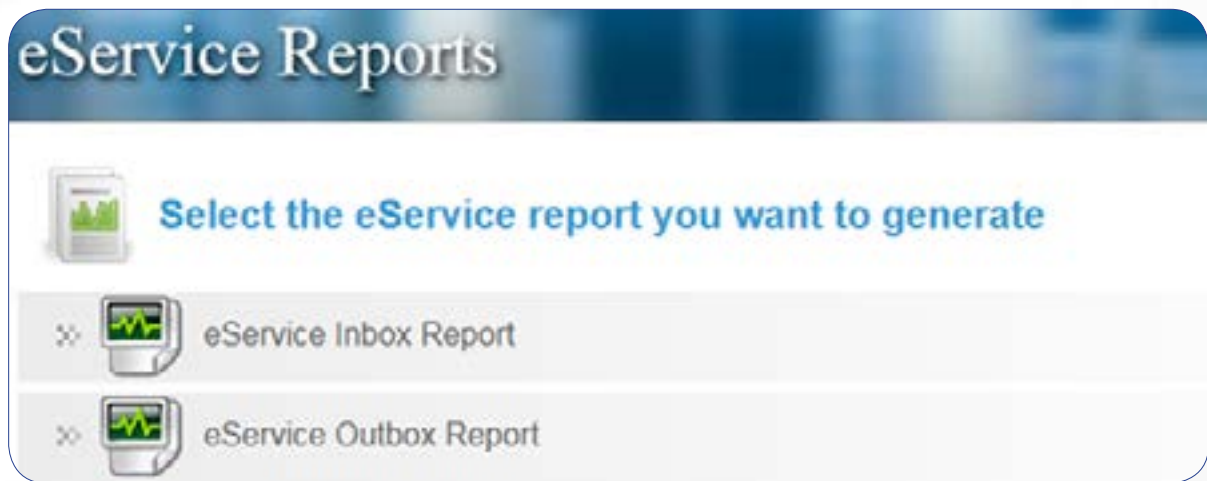

Figure 8-17, eServices Reports

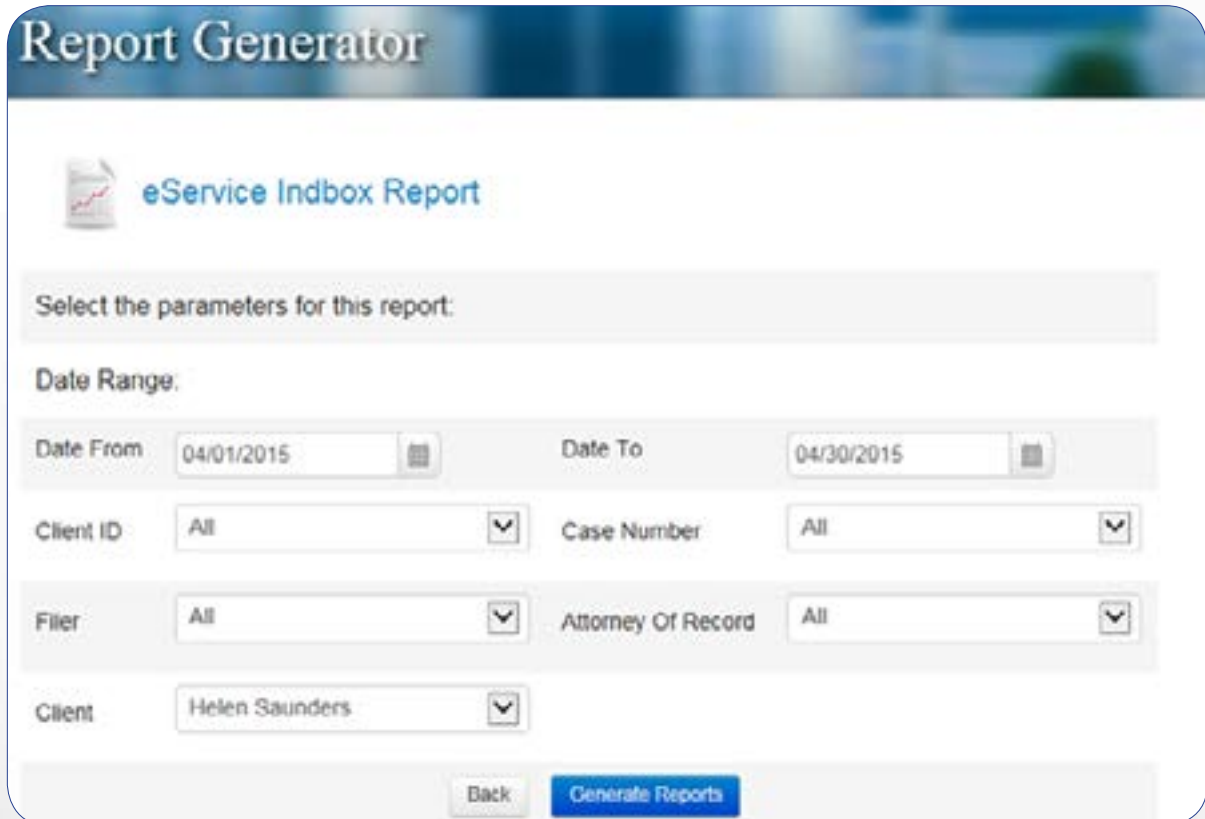

1. Inbox Reports

The Inbox report provides you a report of all eServices to your firm service contacts that match the filter criteria.

For example, if you are told that your firm was eServed by counsel in a case on a certain day and you are pretty certain that no one in your firm received the service, you could use this report and filter for all eServices received on that date, or for a date range, for the specific case.

In other instances, a firm administrator might run this report every morning, filtering for all inbound eServices firm-wide received the previous day. The purpose being to not overlook any inbound eServices.

You can filter the **Inbox Report** as shown in Figure 8-18.

The screenshot shows a web interface titled "Report Generator" with a subtitle "eService Inbox Report". Below the title is a section labeled "Select the parameters for this report:". The form includes several input fields and dropdown menus: "Date Range" with "Date From" (04/01/2015) and "Date To" (04/30/2015); "Client ID" (All), "Case Number" (All), "Filer" (All), and "Attorney Of Record" (All) as dropdown menus; and "Client" (Helen Saunders) as a dropdown menu. At the bottom are two buttons: "Back" and "Generate Reports".

Figure 8-18, eService Inbox Report Generator

Enter your filtering criteria and click the **Generate Report** button.

Your report will resemble Figure 8-19.

2. Outbox Reports

The eService Outbox Report Generator enables you to generate firm-wide reports of eService from your firm to other case counsel.

Figure 8-21, eService Outbox Report Generator

The report displays the following information for each eService that meets your search criteria:

- Date
- Client ID
- Case Number
- Recipient
- Document Served, and
- The status of each eService.

Generate this report in the same manner that you generate the eService Inbox Report.

View a sample report in Figure 8-22.

D. Alerts Reports

The FileTime Alerts Manager provides a fast and easy way to view eFiling and eService issues firm-wide or for a specific filer or attorney.

We designed these reports for firms that want to assign someone to run the reports on a regular schedule to make sure that no failed filings, eServices, or fax services drop through the cracks.

To generate these reports click the **Alerts** option (Figure 8-1, C) on the **Reports** drop-down menu.

Figure 8-23, Alerts Reports Options

View details about each of the above reports on the following pages.

1. Returned for Correction Filings

This report enables you to view a listing of firm submissions Returned for Correction by the Clerk of Court. You can filter the report criteria based on multiple criteria. You can also choose to view all Returned for Correction submissions or only the ones that have not been resubmitted.

Chapter 9

IX. Navigating and Customizing Your Views

We designed FileTime data grids to provide you powerful tools to find specific records and customize the columns to better meet your needs.

A. Firm/Personal Filter

You will find a filter like the one below (Figure 9-1) on the Case Overviews, Cases, Submissions, and Filings pages. Most of your firm filers will probably be interested in seeing only their own Cases, Submissions, or Filings.

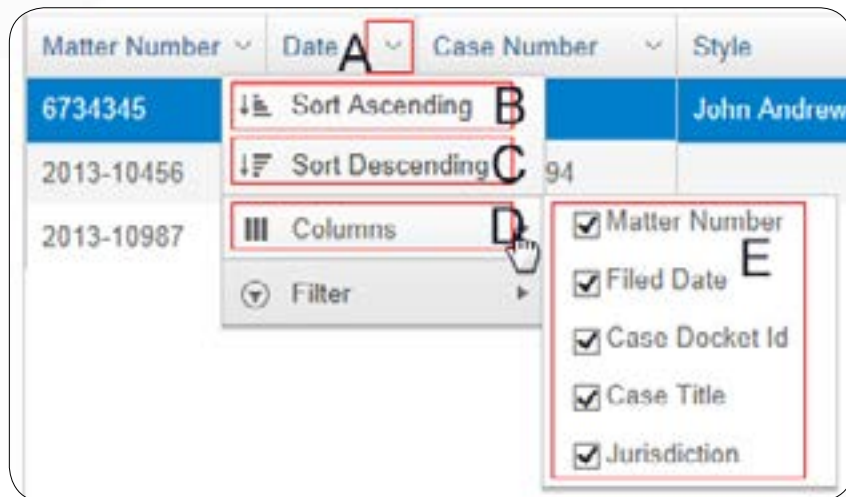

But, as a firm eFiling administrator you may want to click the Firm options in order to view actions firm-wide rather than just for yourself.

Figure 9-1, Firm/Personal Filter

A. Sorting Grid Columns

Click the  icon (Figure 9-2, A) to open the options shown in Figure 9-2.

9-2, Grid Sorting and Display Options

Click the **Sort Ascending** button (Figure 9-2, B) to organize all the rows of data in that column in **Ascending** order.

Click the **Sort Descending** button (Figure 9-2, C) to organize all the rows of data in that column in **Descending** order.

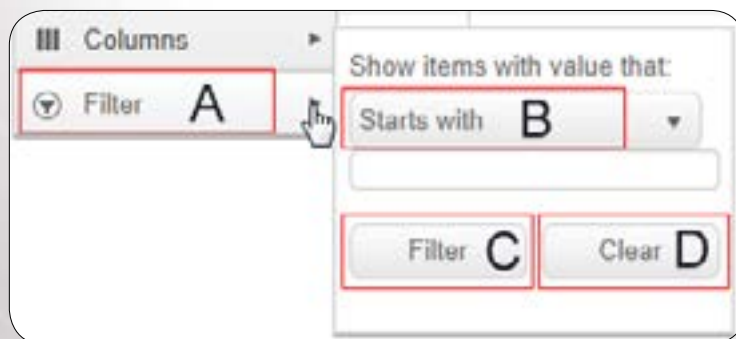

A. Customizing Grid Columns

You can also control which columns display on your grids. The columns that are checked (Figure 9-2, E) will display. Let us know if you want to see other options and we can add them in a future update.

A. Searching in Grids

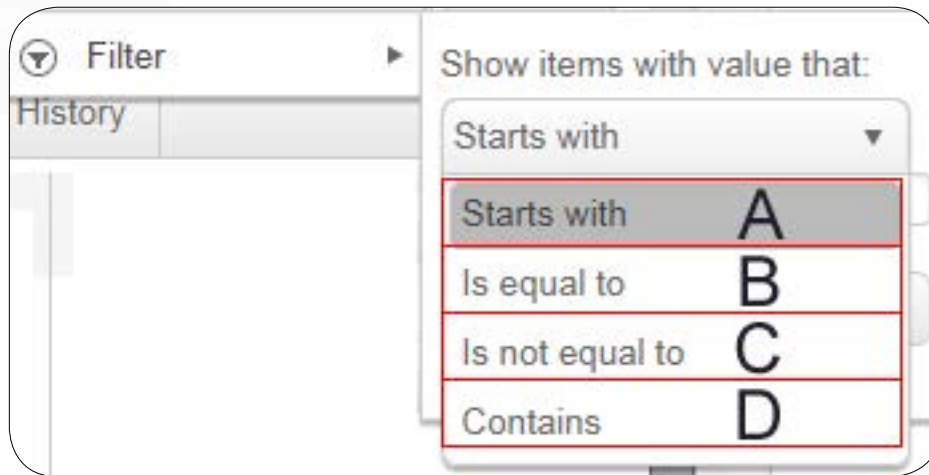

Use the FileTime filtering options to quickly find the specific case, name, email address, etc. in the appropriate grid column.

Clicking the **Filter** button (Figure 9-3, A) opens powerful search/filtering capabilities to you.

9-3, Searching the Column

1. The Filter-type (Figure 9-3, B) button provides you four options:

9-4, Filtering Options

- **Starts with** (Figure 9-4, A) - Select this choice and you will filter for any records that start with the data you enter in Figure 9-3, C.
- **Is not equal to** (Figure 9-4, B) - Select this option leave all records displayed on the grid except those that are equal to the data you enter into **C**.
- **Is equal to** (Figure 9-4, C) - Select this option and only records that are exact matches to what you enter into **C** will be displayed.
- **Contains** (Figure 9-4, D) - This option is often the most useful. Use is when you are not sure of the exact data you look up. This option causes FileTime to display and records with any part that matches the data you enter (Figure 9-3, C).

1. Enter your search criteria in the Filter Criteria field (Figure 9-3, C).

Depending on the Filter-type you selected in the previous step and the data column in which you are performing this search, you may need to enter the complete Case Style or just a few numbers of the matter number, as examples.

1. Click the Filter or Clear button

Click the **Filter** button (Figure 9-3, D) to perform the search/filter. You will be returned to the grid with only the record or records matching your search/filter being displayed.

Click the **Clear** button (Figure 9-3, E) to clear all the selections you made above and start over.

A. Drill Down

The **Case Overviews** page contains a drill down option that enable you to dig down inside each case and see a great deal of the case information without going to a new page.

9-5, Drill Down for Case Information

Click the ► icon (Figure 9-5, A) in the left column of the row you wish to drill-down. That opens the case tabs for that case (Figure 9-5, B).

Click on each tab to view the information available:

- **Case Information** - Under this tab you will find basic information about the case.
- **Submissions** - You will find a list of submissions for the case under this tab. You will then be able to click to open the Details page for each submission.
- **Case Service Contacts** - Under this tab you can view all counsel for the case, including your firm's service contacts and other counsel listed as service recipients.
- **Case Service Contact History** - Under this tab you will be able to view the **Add and Delete** history for all the service contacts to this case.

In the example above, the **Submissions** tab is clicked and FileTime displays the single submission for this case (Figure 9-5, C).

A. Grid Navigator

When you have a large number of cases, submissions, filings, etc., they cannot all be displayed conveniently on one page.

The navigator at the bottom (Figure 9-6) of the grid provides ways to quickly view all the rows on the grid.

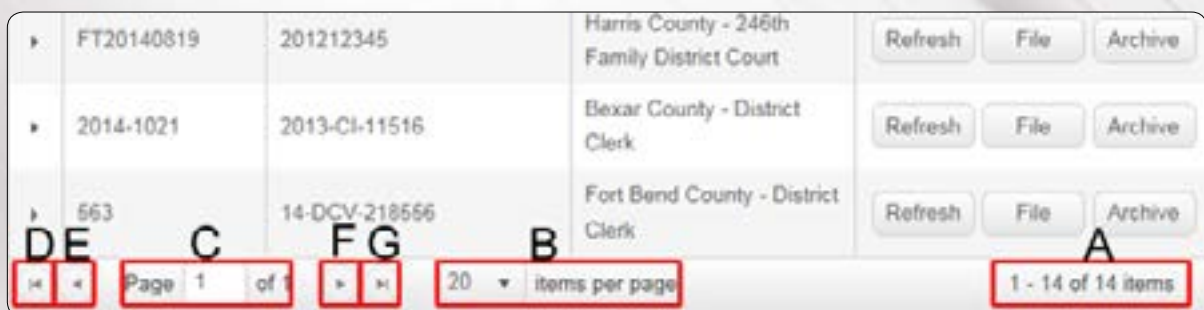

Figure 9-6, The Grid Navigator

- **Total Records** (Figure 9-6, A) - The records display shows which group out of the total number

of records (cases, submissions, filings, etc. - depending on which grid) are available.

- **Items per Page** (Figure 9-6, B) - You have multiple selections concerning how many rows you want FileTime to display.
- **Page Displayed** (Figure 9-6, C) - This area shows you which page of the total pages available is displayed. The number of pages available will vary by the number of records available and the number of records you want FileTime to display.
- **Go to Beginning** (Figure 9-6, D) - Click this button and you are returned to the page containing the first record.
- **Go Back One Page** (Figure 9-6, E) - Click this button to go back one page.
- **Go Forward One Page** (Figure 9-6, F) - Click this button to go forward one page.
- **Go to End** (Figure 9-6, G) - Click this button to go to the last page.

Chapter 10

X. eFile Notification Emails

A. Registration Emails

A person must be registered in the eFileCA system in order to use it. This includes accessing the Administrator features for a firm account.

To complete the registration process, the newly registered person must activate his/her account. One of two emails will be sent to the new registrant for this purpose.

1. Activation Email - Administrator Registered

An administrator registering a new firm user is not able to create a password and security question for that person. Therefore, the new user must click the **Activate Account** link and login with the temporary password contained in this Account Activation email.

SUBJECT: eFileTexas.gov - New User Activation

Your firm administrator has added an eFileTexas.gov account for you to use for e-filing in Texas. Please click on the link below to activate your account.

[Activate Account](#)

After activating your account, please use the following system generated password.

Password: \$\$\$newpassword

Your password is made up of numbers, letters, and characters. In order to make sure you are entering the password accurately, it is easiest to copy and paste the password into the EFSP system.

Do not reply to this email. This message was automatically generated by eFileTexas.gov.

2. Activation Email - User Registered

When a firm allows users to self-register, and a user does so, he/she is able to create a password and security question during the registration process. The activation email, therefore, does not contain a temporary password.

SUBJECT: eFileTexas.gov - New User Activation

You have been registered with eFileTexas.gov, the Texas E-Filing System. Please click on the link below to activate your account.

[Activate Account](#)

Do not reply to this email. This message was automatically generated by eFileTexas.gov.

If you need technical assistance, please contact your eFiling Service Provider.

B. eFileCA eFiling Notifications

The following notification emails are delivered directly from eFileCA to the intended recipient. FileTime is not involved in any in the delivery process.

1. Submitted Filing Notification

You will receive this email immediately after your submission. You will receive an email for each filing included in the submission.

| | |
|---|-------------------------------|
|  | Filing Submitted |
| | Envelope Number: 84000 |

| Filing Details | |
|-----------------------------|------------------------|
| Date/Time Submitted: | 10/21/2014 11:01:45 AM |

| Date/Time Accepted | 10/21/2014 11:10:53 AM |
| Filing Type: | Petition |
| Activity Requested: | EFileAndServe |
| Filed By: | Kindra Reese |

| Fee Details | | | |
|---|---------|----------|----------|
| This envelope is pending review and fees may change. | | | |
| Case Fee Information | | | \$282.21 |
| Case Fees | | | \$272.00 |
| Convenience Fees | | | \$8.21 |
| Court Service Fees | | | \$2.00 |
| Petition | | | \$10.00 |
| • Optional Services | Fee Per | Quantity | |
| • Citation On A Civil Case Served By A Private Process Server | \$8.00 | 1 | \$8.00 |
| • Copies | \$0.50 | 4 | \$2.00 |
| Grand Total | | | \$292.21 |

| Document Details | |
|------------------------------|---|
| Lead File: | Petition - Motor Vehicle Accident.pdf |
| Lead File Page Count: | 4 |
| File Stamped Copy | https://filerstage.eFileCA.gov/ViewDocuments.aspx?-FID=5d12c449-817b-4516-8693-208b071cbc0a This link is active for 45 days. |

Click the View Document link to download a file marked copy of the document.

3. Filing Returned for Correction Notification

You will receive this notification when the clerk has returned the filing for correction. The clerk will provide the reason for the return.

| | |
|---|-------------------------------|
|  | Filing Returned |
| | Envelope Number: 84006 |

The filing below which has been previously served to you has been returned for further action from the filer.

| Return Reason(s) from Clerk's Office | |
|--------------------------------------|--|
| Return Reason(s) | Incorrect/Incomplete Info: Please resubmit using correct Case Category |
| Return Comment | |

| Document Details | |
|----------------------------|--------------------------------|
| Case Number | 2013-CI-11516 |
| Case Style | Amanda Fleming v Acme Trucking |
| Date/Time Submitted | 10/22/2014 10:03:20 AM |
| Activity Requested | No Fee Documents |
| Filed By | Charles Smith |
| Service Contacts | Kindra Reese |

The clerk has the option to "suspend" you filing for reasons such as:

- **Insufficient Fees** - Occurs if you do not select and pay the correct fees required for the filing. This might include not selecting the Case Initiation Fee, not selecting the appropriate number of copies to attach to the citation, etc.
- **Insufficient Funds** - This occurs when your credit card is declined by your credit card issuer. Neither FileTime nor eFileCA will ever decline a credit card - that is always an issue with your issuer.
- **Document Addressed to Wrong Clerk** - This occurs when you select the incorrect jurisdiction.
- **Incorrect/Incomplete Information** - This occurs when you do not have not included required information such as the case number, case type, party names, party addresses, attorney-party emails addresses, etc.
- **Incorrect Formatting** - There is a problem with one, or more, of the PDF files you submitted.
- **PDF Documents Combined** - The jurisdiction requires that each of the lead documents be filed as separate documents, not all combined.
- **Illegible/Unreadable** - The clerk deems the document to be illegible.
- **Sensitive Data** - You need to redact the sensitive data in the document.

In order to preserve the original submission date for you resubmission, use the [Returned for Correction method](#).

4. Failed Filing Notification

You will receive this notification if/when eFileCA detects an error with one, or more, of the documents in the filing. The reason for the error will probably not be clear so call our Customer Support team so we can contact the eFileCA or clarification of what changes are needed.

| | |
|---|-------------------------------|
|  | Filing Failed |
| | Envelope Number: 84010 |

This is a notification indicating that your filing failed during submission. Please make the necessary changes and resubmit your filing.

| Filing Details | |
|-----------------------------|--------------------------------|
| Case Number: | 201432551 |
| Envelope ID: | 84010 |
| Date/Time Submitted: | 10/21/2014 11:01:45 AM |
| Case Style: | Amanda Fleming v Acme Trucking |

| Document Details | |
|---|---------------------------------------|
| Filings with error: | Petition - Motor Vehicle Accident.pdf |
| Documents that caused the error: | CivilCaseInformation.pdf |
| Reasons for Error: | |

A Failed filing is always caused by an issue with one, or more, of the documents you submitted.

The most common reasons for this are:

- **Non-Allowed Character in the Document Name** - A document name can be composed only of alpha-numeric characters plus periods. You cannot use characters such as -, @, #, etc.
- **Non-Allowed Fonts** - This occurs most commonly when you OCR pre-printed government-style forms such as BVS forms. The OCR software sometimes inserts non-allowed fonts for symbols such as check boxes.
- **Outside Links** - You cannot eFile documents that contain links to URLs outside the document.

You will have to resubmit a new filing when a filing has been Failed by eFileCA.

C. eFileCA eService Notification eMails

eFileCA also sends four different notification emails regarding eService issues.

1. Notification of Service

eFileCA sends this email to every eService recipient for the case, unless the filer specifically chooses not to eServe a specific counsel.

| | |
|---|--------------------------------|
|  | Notification of Service |
| | Envelope Number: 84010 |

This is a copy of service for the filing listed. Please click the link below to retrieve the submitted document.

The FileTime Team

3. FileTime Filing Returned for Correction Notification

FileTime sends the following email to the filer when the clerk of court returns the filing for correction. If the filer re-submits the filing using the instructions in the email the original submission date of the documents will be preserved.

Returned for Correction

SUB: Your submission has been Returned for Correction

The following submission was **returned for correction by the clerk of court:**

Submission ID: 113705
Client ID: FT2014-1110
Cause Number: 13-DCV-209661
Style: In the Matter of the Marriage of Rhonda Osagie and Kingsley Osagie
Jurisdiction: Fort Bend County - 328th Judicial District Court
Case Category: Family/Juvenile - Marriage Relationship
Case Type: Divorce No Children
Filing Type: eFile & eServe
Document Name: Motion for Discovery.pdf
Submission Time: 5/14/2015 9:57:12 AM
Clerk Comments: Please correct the case type.
Reject Reason: Incorrect Case Type

All the filing fees for this filing will be refunded.

To start a new filing based on this submission so the original submission date is preserved:

- Login at www.filetime.com
- Click one of the Submit Filing(s) buttons.
- Select the Returned for Correction Filing option.
- Resubmit.

Happy eFiling!

The FileTime Team

4. FileTime Filing Failed Notification

FileTime sends the filer the following email notification when a filing was failed by eFileCA before the filing was submitted to the clerk of court.

Therefore, the original filing date is not preserved.

eFileCA does not provide the reason a filing was Failed by them but it is always due to an [issue or issues with the document\(s\)](#).

Filing Failed

SUB: eFileTexas Failed your submission

The following submission was Failed by eFileTexas:

Submission ID: 113710
Client ID: FT15-0511
Cause Number:
Style:
Jurisdiction: Bexar County - County Clerk
Document Name: Zapfdingbats2.pdf
Submission Time: 5/14/2015 10:08:38 AM

All the filing fees for this filing will be refunded.

This submission was failed by eFileTexas before it was received by the clerk of court so the document(s) has/have not been officially filed yet.

[Read here for information about why eFileTexas Fails submissions](#) and what you need to do to correct the information.

Unfortunately, eFileTexas does not provide useful diagnostic information about Failed Filings. However, the reason they Fail filings is always because of an issue with at least one of the documents in the submission. Please call eFileTexas support at 855-8393453 or FileTime support at 855-573-6253 for assistance, if needed.

To start a new filing based on this filing so you do not need to enter all the information again:

- Login at www.filetime.com
- Go to the Filings section
- Find and click the row of the rejected filing
- Click the Retry button in Filing Details section on the right.
- Complete the submission process with your revised documents.

F. FileTime eService Notification Emails

FileTime sends the following eService-related emails unless you specifically opt-out of receiving them.

1. eService Status

FileTime sends the eService Status email to the filer to provide a quick view of the status of the services.

- A status of **Served** indicates that the recipient has been legally served.
- A status of **Failed** indicates that the service failed and you need to eServe the recipient using another method.

This updates you with the status of service to counsel for the following submission:

Submission ID: 109242
Old Submission ID:
Submission Date and Time: 03/30/15 10:12 AM
Case Title: In the Matter of the Marriage of Rhonda Osagie and Kingsley Osagie
Court: Fort Bend County - 328th Judicial District Court
Cause Number: 13-DCV-209661
Client ID: FT2014-1110
Client: Kingsley Osagie

Filing(s)
No Fee Documents
No Fee Documents

Service Status

| Status | Recipient | Serving Firm |
|--------|--------------------|----------------------------|
| Served | Thomas Schoolcraft | Law Office of Kindra Reese |
| Served | Kenneth Williams | Williams and Williams |

2. Copy of eService

If you have designated additional firm staff to receive copies of eService notifications sent to you, they will receive the following notification email from FileTime.

Subject: Notification of Service for Case No.DC-14-12214

eServed for Case No. DC-14-12214

Date and Time Filed: 05/15/15

<https://www.efiletexas.gov/DownloadResource.ashx?RID=022e9c6b-811d-41fe-be54-fc4bfac03f89>

2. Login at www.filetime.com, go to eServices > Inbox, locate this eService and click on it to view the service details and print the service document(s).

You can log in to www.filetime.com anytime from anywhere and download this document.

G. FileTime Fax Service Notifications

1. Fax Service Successful

FileTime sends the following email to the filer when a fax service is successful.

RE: Client ID - FT141204
Dear Thomas,
Your fax service to:

- Recipient – Harold Cumby
- Fax Number – (888) 859-2349
- Case Number - DC-14-12214
- Jurisdiction - Dallas County - 191st District Court
- Filing Code - Motion (No Fee)(Consent and Agreement.pdf)

Was successfully delivered on 01/12/2015 08:53 AM.
Thanks for using FileTime Fax Service.

Best Regards,
The FileTime Team
www.filetime.com

Contact Us

800-658-1233
Support@FileTime.com

2. Fax Service Failed

FileTime sends the following email to the filer when an eFax cannot be delivered.

Fast and Reliable

RE: Client ID - FT-20140116

Dear Thomas,

We were not able to deliver your fax service to:

- Recipient – Alex Kankas
- Fax Number – (210) 555-5555
- Case Number - DC-00-00143
- Jurisdiction - Dallas County - 14th District Court
- Filing Code - Service Only((1)One.pdf) Service Only((2)Two.pdf)

The reason for the failure was not reported us by our faxing service. But, if you suspect that it was due to a wrong number you can retry by following these steps.

- Login at www.filetime.com
- Go to **Filings** and locate the filing.
- Click the green **View Filing Details** button.
- Click the **Retry** button in the **Fax Service** area at the bottom of the **Filing Details** page.
- Enter the corrected fax number on the **Edit Fax Service** page and click **Save**.
- FileTime will resend the fax service to the corrected number.

Thanks for using FileTime Fax Service.

Chapter 11

XI. Archiving/Reactivating Cases

FileTime enables you to archive inactive cases and submissions, filings, and eServices. Archiving moves inactive cases, for instance, from the list of active cases but it does not delete those cases from our data base. You can later access an archived case and reactivate them if necessary.

A. Archive a Case/Submission/Filing

Using the **Case Overviews** page as an example (Figure 11-1) click on the row for the case you want to archive, causing it to be highlighted.

Figure 11-1, Archive a Case

Click the **Archive** button (Figure 11-1, A) for that case.

The case is now moved from the list of active cases to the **Archived Cases** list.

Use the same process to archive **submissions**, **filings**, and **eServices** on their respective pages.

Be aware that this process archives the case for your entire firm.

A. Access an Archived Case

Again using the **Case Overviews** as an example, click the **Cases** drop down menu (Figure 11-2, A).

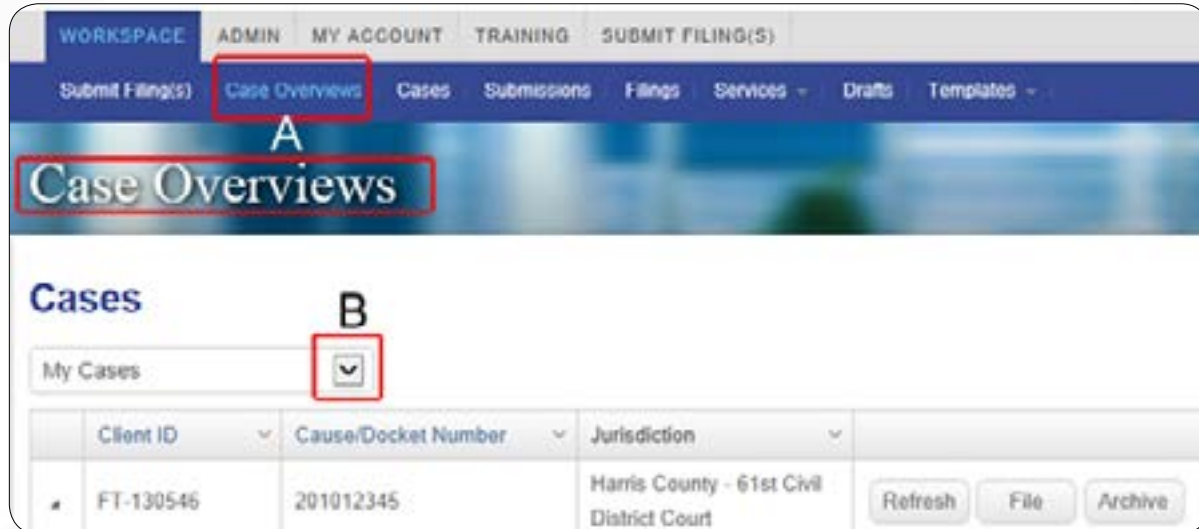

Figure 11-2, Cases Selector

The drop-down selector opens - click **Archived Cases** (Figure 11-3, A).

Figure 11-3, Select Archived Cases

The **Archived Cases** page displays (Figure 11-4).

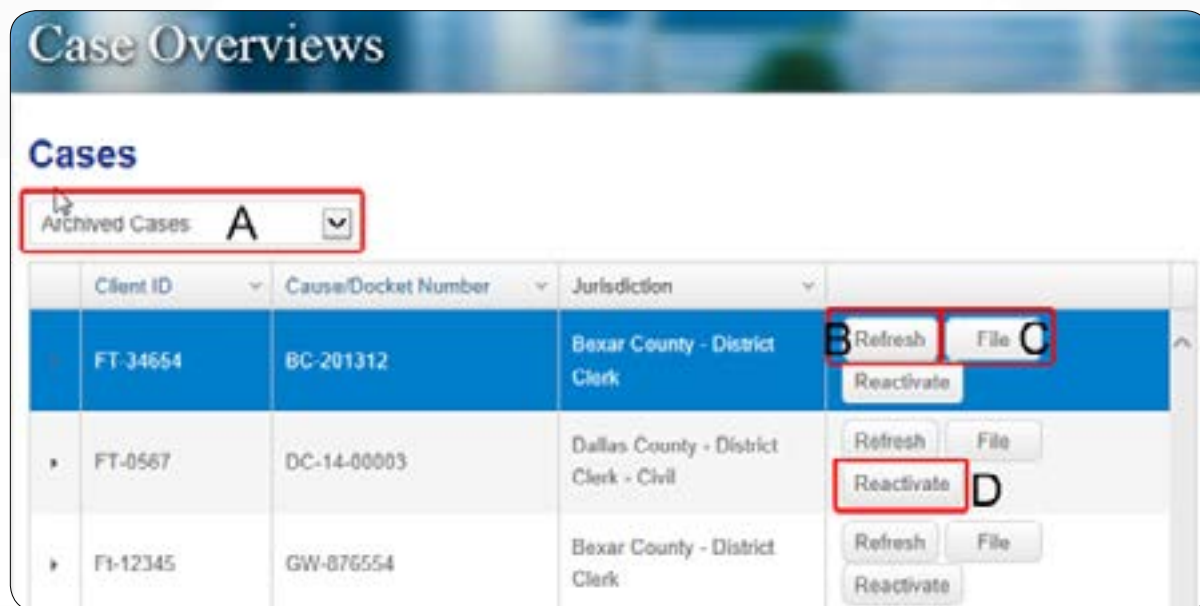

Figure 11-4, Archived Cases

From the **Archived Cases** list choose the Case you wish to review and click on the row of the case to highlight it.

Click the **Refresh** button (Figure 11-4, B) to download the most current information about the case from eFileCA.

Click the **File** button (Figure 11-4, C) to initiation a submission for the archived case.

A. Reactivate an Archived Case

Click the **Reactivate** button (Figure 11-4, D) to move the case from the archive to your firm's list of active cases.

Chapter 12

XII. Getting Assistance and Giving Feedback

We provide a number of training options for you.

A. Training

1. MCLE-Accredited eFiling Training

We provide a free one-hour Texas MCLE accredited eFiling training class nearly every week. It is delivered over the Internet so you can participate from your desk or on your tablet computer from the beach if you prefer.

Register here for a training class: www.filetime.com/Training/Register

B. Video Training

We provide numerous training videos on all phases of the eFiling submission process.

See those videos at: www.filetime.com/Training/Videos

C. Manuals

We have created several very useful guides in PDF format similar to this guide that provides detailed information for you.

- [eService Guide](#) - Everything you want and need to know about eService.
- [eFiling Guide](#) - A detailed look at the FileTime eFiling process.
- [Searchable PDF Guide](#) - This guide explains what a searchable PDF is and how to create them

D. Contact Us

Click the **Contact Us** button at the top of the page for our phone number or to send us an email.

Click the **Chat** button at the top of the page to initiate a chat session with us.

E. Knowledge Base

You can find answers to a wide variety of questions asked by customers about eFiling and eService. Go to the **FileTime Knowledge Base** and find the answers to your questions. If your question is not there, post a question and we'll get back to you with the answer. <http://feedback.filetime.com/knowledgebase>

F. Feedback

We welcome feedback and particularly look forward to suggestions for improving our product or service. After logging into FileTime.com you will find a **Feedback and Support** tab on the extreme left margin of your monitor. Click it to open a window in which you can enter your feedback.
